

The Alma Mater is where the personality of an individual is shaped. From making friends to discovering one's field of interest, it is the place where we transform into who we are today. The impetus that our college provides to every individual is a gift to be cherished throughout one's life.

Truth be told, homecoming never gets old! We all have a thread that binds us when it comes to Mithibai College and we share a common ground of our memories.

So here, your college invites you to get back to your Alma Mater, through the Mithibai Alumni Association, which will serve as the single window to re-connect to your college and fellow alumni. Mithibai Alumni Association aka MAA, will enable you to refresh all those wonderful memories and to take stock of your time spent at the college campus. Besides leaving a legacy for current students to follow, you all are also setting the trend for the future, for which your college will always proud be of.

By connecting to the MAA you will get to know about Alumni and College activities on a regular basis. Please join the Mithibai Alumni Association by filling up the form ([link to our form-pdf](#)) and submitting it in the college along with your membership fees (Annual membership- Rs. 100/-; Life membership- Rs. 1000/-).

THE MITHIBAI ALUMNI ASSOCIATION

MEMBERSHIP FORM
