President's Message

Mithibai College continues to exemplify the core ideals of the Shri Vile Parle Kelavni Mandal - academic distinction, innovation, and a deep commitment to social responsibility. As the institution advances into another academic year, it remains steadfast in its mission to nurture intellectual curiosity, critical inquiry, and holistic development among its students.

In keeping with the transformative vision of the National Education Policy (NEP) 2020, the academic year 2026–27 marks a significant milestone with the comprehensive introduction of the fourth-year Honours and Honours with Research programmes. These pathways provide students with an enriched academic experience that integrates advanced disciplinary knowledge, rigorous research training, and experiential learning. By fostering inquiry-led learning and interdisciplinary engagement, the college is equipping students to contribute meaningfully to knowledge creation and innovation.

Mithibai College has also taken proactive strides in introducing contemporary, industry-aligned, and cutting-edge courses that reflect the evolving demands of the global knowledge economy. Emerging domains such as Artificial Intelligence and Machine Learning, data science and analytics, financial technologies, cybersecurity, and foundational digital literacy are being seamlessly integrated into the curriculum - enriching learning across disciplines and equipping students from all programmes with the competencies demanded by a rapidly evolving world. This forward-looking approach ensures that students are not only academically proficient but also future-ready, adaptable, and globally competent.

The institution's robust infrastructure, dynamic e-learning ecosystem, and vibrant academic culture continue to provide a fertile ground for excellence across curricular and co-curricular spheres. Faculty members, through their dedication to teaching, research, and mentorship, play a pivotal role in shaping a generation of responsible and capable citizens. Students, in turn, actively engage with the community through meaningful outreach initiatives, embodying the values of empathy and social commitment.

The college's sustained achievements in national rankings and accreditation stand as a testament to its enduring pursuit of quality and excellence. As Mithibai College embraces this new phase of academic transformation, it does so with a renewed sense of purpose and vision.

As President of SVKM, I extend my sincere appreciation to the faculty, students, and staff for their continued dedication and contributions. I am confident that the institution will continue to scale new heights and set benchmarks in higher education.

Warm regards,

Shri. Amrish Patel

Hon. President & Trustee, SVKM

Shri Vile Parle Kelavani Mandal (SVKM)

Shri Vile Parle Kelavani Mandal is a Public Charitable Trust registered under the Society's Registration Act and Bombay Public Trust Act. From its humble beginnings in 1934, when it took over the Rashtriya Shala, a school established in 1921 in the wake of the National Movement, the Mandal today has grown into a big educational complex imparting high-level education to more than 35,000 students.

Since embarking on its journey of providing education to all levels of the student community in the early 1930s SVKM has flourished into an educational giant that has attained national recognition in multiple streams of higher education. SVKM has mastered the art of being able to transform itself into a close knit family while also assisting its students in achieving all-round development, becoming employable and attaining success.

Over the past 80 years, the Mandal has developed a large educational complex in Vile Parle, in Suburban Mumbai and has spread its wings to metro cities. Driven by a strong vision and passion for being the pioneers of the modern education system, all SVKM institutes are state of the art, with ever increasing facilities and infrastructure.

With its roots in the Swadeshi Movement, marked by patriotic fervour, selfless service and the spirit of indigenous enterprise, the Mandal has now evolved into an educational foundation promoting global thinking consistent with national interest and promoting the values, professionalism, social sensitivity and dynamic entrepreneurship.

About Mithibai College

Mithibai College of Arts, Chauhan Institute of Science & Amrutben Jivanlal College of Commerce & Economics (Autonomous) has evolved into a dream education destination for the finest and most talented students since its inception in 1961. The college has 22 departments associated with the faculties of Arts, Science & Commerce. There are 16 Post Graduate programs and 10 Research Centres offering Ph.D. programmes. Principal's Message

“The function of education is to teach one to think intensively and to think critically. Intelligence plus character — that is the goal of true education.” - Martin Luther King Jr.

SVKM's Mithibai College (Empowered Autonomous) stands as a proud embodiment of academic excellence, a tradition of co-curricular excellence, and an enduring commitment to holistic education. With alumni making meaningful contributions across diverse fields - from science and technology to arts, commerce, and public service - the institution continues to inspire generations of learners. Consistently ranked among India's foremost institutions, Mithibai College offers a globally oriented education grounded in critical thinking, ethical reasoning, and intellectual rigour. Since attaining autonomy in 2018-19, the college has remained proactive in aligning its curriculum with emerging academic, scientific, and industry trends.

In our ongoing pursuit of academic distinction, Mithibai College continues to achieve significant milestones. The conferment of the A++ grade with a CGPA of 3.55 in the third cycle of NAAC Reaccreditation, held in November 2024, stands as a proud affirmation of our unwavering commitment to quality, innovation, and inclusive education. Further strengthening our national reputation, the college received multiple prestigious accolades in the EducationWorld India Higher Education Rankings 2025, securing:

- 3rd place AIR among Private Autonomous Colleges, and
- 2nd place at the State Level (Maharashtra) among Private Autonomous Colleges.

These distinctions reflect the college's consistent excellence across key parameters - academic performance, faculty quality, infrastructure, research output, and student engagement.

The academic year 2026-27 marks a defining chapter in the institution's journey, with the comprehensive rollout of the fourth-year Honours and Honours with Research programmes under the National Education Policy 2020. These pathways represent a transformative leap in undergraduate education - one that integrates advanced disciplinary knowledge, rigorous research methodology, and experiential learning within a structured and intellectually enriching framework. Students pursuing these programmes will have the opportunity to engage deeply with their chosen fields, undertake independent research, and emerge as future-ready scholars and professionals equipped to contribute to knowledge creation and innovation.

Aligned with this forward-looking vision, Mithibai College is introducing a range of trending, cutting-edge, and industry-relevant courses that reflect the demands of a rapidly evolving world. Disciplines such as Artificial Intelligence, Data Analytics, and Design Thinking are empowering students with digital fluency and problem-solving capabilities essential in today's knowledge economy. The introduction of courses in Environmental Sustainability nurtures ecological responsibility, while new programmes in Medical Microbiology and Medical Biochemistry open pathways for students aspiring to contribute to healthcare and biomedical innovation.

The NEP 2020's vision of flexibility, interdisciplinarity, and experiential learning resonates deeply with the pedagogical philosophy of Mithibai College. We have responded not merely with intent, but with purposeful action - deepening the integration of technology and Artificial Intelligence into the learning process, fostering a culture of inquiry and research among faculty and students alike, and strengthening academia-industry linkages to bridge skill gaps and enhance graduate employability. Continued emphasis will be placed on bolstering the Internship, Training and Placement Cell and expanding on-the-job training opportunities for undergraduate students, ensuring that academic learning translates into real-world competence and professional readiness.

Our faculty remain at the forefront of academic thought, scholarly research, and socially relevant engagement. Their dedication to teaching and mentorship continues to be the cornerstone of the Mithibai experience. Our students, in turn, inspire us every day - through their intellectual pursuits, their achievements in co-curricular and extracurricular domains, and their growing sense of social purpose and civic responsibility.

These reforms and milestones have been made possible through the steadfast encouragement and visionary support of the SVKM Management. I express my sincere gratitude to all members of the Management for their abiding trust and guidance. To our students - I extend my warmest wishes as you embark on this exciting new chapter. May you pursue your academic and personal aspirations with curiosity, courage, and conviction.

S.Q.A.A.F. Report for the Academic Year 2025–2026

The **School Quality Assessment and Assurance Framework (S.Q.A.A.F.)** is a structured initiative designed to evaluate and enhance the quality of educational institutions. It focuses on continuous improvement through systematic assessment of academic processes, infrastructure, student development, and institutional management, ensuring that schools and colleges maintain high standards of education.

In the previous academic year **2024-2025**, our college achieved a significant milestone by being accredited with an **A+ grade under S.Q.A.A.F.**, reflecting our commitment to excellence in all aspects of education and institutional functioning.

For the current academic year **2025-2026**, under the able guidance of **Principal Prof. Krutika B. Desai** and **Vice Principal (Junior College) Ms. Gladys V. Albert**, the S.Q.A.A.F. Committee has successfully carried out all assigned tasks. The committee ensured that all activities and documentation were completed in strict accordance with the prescribed framework and guidelines. Continuous efforts were made to maintain quality standards, improve institutional practices, and strengthen the overall academic environment.

The institution remains dedicated to sustaining excellence and further enhancing its quality benchmarks in the coming years.
