

“Entrepreneurship Development Programme” by Mr. Siddhant Vats, CMO, Androidly Systems.

Date : 11th July, 2015.

Venue : Juhu Jagruti Hall, Mithibai College.

On 11th of July, students at Mithibai College got an opportunity to listen to Mr. Siddhant Vats, a young yet one of the most successful entrepreneurs India has ever seen. At the young age of 17, he became the creator of the First Smart Watch in the world. He has been involved in a lot of philanthropic activities as well, he successfully runs an NGO, Falak Foundation, an organization that works in the fields of education and health.

Mr. Vats has been inspiring young entrepreneurs all over the world. He has conducted lectures at Oxford University. In that connection, The Department of commerce at Mithibai organized for an interactive session with Mr. Vats for the students from various streams in order to give fire to the sparks in their young minds.

The talk was conducted in an interview format where Mr. Vats responded to all the questions and gave students the outlook of his early life, struggles and what it takes to be an entrepreneur. Many students got their doubts solved by asking their questions during the session. After the session Mr. Vats was generous enough to meet the students personally at the backstage to help them with their ideas and guided them with way to go.

The event went off with a thank you note from Mr. Michael Vaz, Vice Principal, Mithibai College and large number of students from various streams having a deep interest in entrepreneurship regardless of their background.
