RESEARCH PROMOTION POLICY 2023-2026

RESEARCH PROMOTION POLICY 2023-2026

One of the primary objectives of SVKM's Mithibai College of Arts, Chauhan Institute of Science & Amrutben Jivanlal College of Commerce and Economics is to inculcate research as an important component of teaching and learning. To encourage research, the following research policy for research has been devised:

RESEARCH INCENTIVES

It is expected that the faculty will be engaged in publishing results of their research activities in refereed journals, which are indexed in Scopus or web of science or ABDC both national and international. The impact factor given only by Clarivate analytics will be considered for the said publication. The paper should carry full name of the college.

Every regular faculty or faculty on a contract should publish at least one paper per year in a journal of national or international repute. To incentivize research output the following norms are in place.

1. Journal of national or international repute

Sr.No.	Publication & their impact factor	Amount/Rs.
1	Journal with an impact factor ≥ 5 or 'A' category (in ABDC)	1,00,000/-
2	Journal with an impact factor above 3 to 5 or 'B' category (in ABDC)	50,000/-
3	Journal with an impact factor 1 to 3 or 'C' category (in ABDC)	25,000/-
4	Scopus Indexed Journal	10,000/-

Guidelines for application & process of sanction

In the case of a joint publication, an incentive will be awarded on a pro-rata basis. The college committee will assess the publication and recommend it to the Management. The Management will constitute a Committee, which will in turn approve the recommendations. The guidelines for application will be as under-

Application for Research Incentives

Sr. No.	Name of the authors (sequence of author should be as mentioned in publication)	Title of Article/Research Paper	Name of the Journal	ISSN No.	Volume/ Page No.	Issue	Start Page	End Page	Date/ Month / Year	Publishing authority	SCOPUS Indexed Yes/No	Official Impact Factor by Clarivate analytics	Link for article

2. Paper presentation at conferences

To encourage research among the faculty, financial support in terms of the registration fee will be provided to the teachers presenting their original research in national/international conferences organised by professional organizations of repute. The financial support in the form of travel expenses full/partial will be provided by the Management based on the evaluation of the expert committee constituted by the Management.

Publication in Books

Faculty are also expected to publish books and contribute chapters in books to be published by reputed national or international publishing houses. In all such publications name of the college should be mentioned along with the name of the author to show the affiliation.

3. Patents

To file a patent and to actively pursue, the College/Management will provide the following incentive:

- On grant of national patent incentive payable will be Rs.50,000/-
- On commercialization of the patent the royalty will be shared by the faculty with the institution in a ratio of 80:20
- On grant of international patent incentive payable will be Rs.1,00,000/-.
- On commercialization of the patent the royalty will be shared by the faculty with the institution in a ratio of 80:20.

Patent

Sr.No.	Name of the authors (sequence of author should be as mentioned in publication)	Patent No. & Country	Title of the Patent	File (Date & Year)	Granted (Date & Year)	Licensed (Date & Year)	Link for the Patent

SEED GRANT

The objective of the scheme is to provide financial assistance to the faculty to initiate research activities. Financial assistance can be for a single faculty or a group of two or more faculty from different disciplines, who are initiating new collaborations and expected to lead to substantial external research funding.

To encourage faculty to initiate research, Management will provide Seed Grant, up to Rs.1,50,000/- for any of the following purposes:

- a. Taking of research project in his/her discipline. This could be used as seed money which will encourage faculty to take research on a pilot basis and then develop a major project to be funded by a national or international level body.
- b. Preparation of a policy document for government or non-government organizations.

Guidelines for Seed Grant

1. The application for financial assistance in the prescribed format should be submitted in triplicate to the Principal, through Head of the Department.
2. The faculty are requested to submit a detailed proposal in the “Prescribed Format” at least 30 days before the beginning of the semester(May/October) so that proposal can be scrutinized and recommended for funding by the expert committee. Applications will be reviewed by the committee based on the merit and feasibility of the proposed project and the potential for generating external funding at the end of the project.
3. Detailed financial estimates should be mentioned clearly in the proposal submitted. Budgets should be itemized and be directly related to the project.
4. The Project proposal will be evaluated by a committee at college level with the external expert in the committee. This proposal will be sent to the Management for further evaluation & approval of the fund.
5. The progress report and utilization of funds shall be reported quarterly and Investigator will submit the progress of the project after six months, to the committee constituted for this purpose.
6. The final report, statement of expenditure and utilization certificate shall be submitted at the end of the financial year.
7. Fund should not be used to travel to conferences/seminars to present results of research, unless specified in the project proposal.

8. Publication cannot be claimed by faculty of the college unless he/she is the sole investigator or co-investigator. The role of each investigator should be clearly defined in the project proposal.
9. The whole or part of the granted money remaining unutilized within the prescribed time limit should be refunded to the Mithibai College.
10. Utilization certificate and Statement of expenditure (two copies) duly signed by the HOD shall be submitted to the Principal within two months from the end of the award date.
11. The accounts should be audited by the accounts officer of the college/Chartered Accountant.
12. If commercial benefits are derived from the knowledge generated from the projects, 50% of such gains shall be shared with the college subject to a maximum of the amount sanctioned by college.
13. If any patent is generated by the researcher, the college will have a 50% claim on the patent. Technology Transfer should be in consultation with the college.
14. The College has the right to terminate the project at any stage if it is convinced that the grant has not been properly utilized or appropriate progress is not being made.
15. Faculty must acknowledge the college for funding in their publications.
16. Faculty will submit a complete report of their work once work is published and the project can be further carried forward for extramural funding from the government or non-government agencies.
17. The Management reserves right to disapprove the proposal at any time for any reason/s whatsoever.
