“It’s good to know that we are among India’s Top 3 colleges for our B.Com programme in banking and finance. Yet our objective is to be ranked #1. As our high scores on all your survey’s six parameters of excellence show, Mithibai has excellent leadership and governance systems, rigorous curriculum and innovative pedagogy and good placements record. Moreover, we have introduced several value-added, skills-based certificate courses. Starting from the academic year 2023-24, all our courses will be designed as per NEP 2020 guidelines with students offered the choice of electives from other streams. This multidisciplinary approach will enable the overall development of students” – **Prof. Krutika Desai** (right), Principal, **Mithibai College (Autonomous), Mumbai**

President's Message

SVKM's Mithibai College of Arts, Chauhan Institute of Science well known as "Mithibai College" has always responded to the call of the society. Mithibai College the flagship institute of SVKM was established in 1961, in order to provide premium education to the residents of the suburbs of Vile Parle and surrounding areas. Subsequently, Amrutben Jivanlal College of Commerce and Economics was established in 1981 to address the rising demand for quality education in the Commerce stream. Today, the college attracts learners from all over the nation who flock to it with the intention of getting educated in one of the premiere multi faculty institutions of higher learning. This year we complete sixty-two years of living the vision and mission of the college. The college has always aimed to equip the learners to push the boundaries of knowledge further while sensitizing them to the need for compassion and integrity as individuals and to become global citizens.

Along with this, the college has also provided excellent state of Art infrastructure including latest technology, access to the best of the study tools and vibrant atmosphere that has been conducive to the holistic development of the learners.

In the third decade of the third millennium, it shall be of utmost importance to further enhance the quality of higher education in Indian Educational Institutions. One of the norms to check quality in education is its 'Fitness for Purpose'. With this in mind, Mithibai College has carried out a two pronged programme of strengthening the academic fundamentals of the student as well as imparting a skill set that improves the students professionalism and employability multi-fold. In addition, the college has always strived to inculcate Indian culture in the students to make them better citizen. As a direct result of this all round development, the college has garnered an alumni base that has luminaries from all walks of life. The nation has benefited immensely from the contribution of this dedicated alma mater.

Today, one realizes the importance of scholastic research. Hence, the College urges its faculty and students to broaden their horizons and contribute to providing lasting solutions for world prosperity and peace. The commitment to ever enhance the quality of Higher Education is an on-going endeavour for Mithibai College. It shall continue to create global citizens who are decisive, assertive and ready to take on challenges.

A handwritten signature in black ink, appearing to be 'A O L'.

Shri Amrish Patel
Hon. President and Trustee, SVKM

Shri Vile Parle Kelavani Mandal (SVKM)

Shri Vile Parle Kelavani Mandal is a Public Charitable Trust registered under the Society's Registration Act and Bombay Public Trust Act. From its humble beginnings in 1934, when it took over the Rashtriya Shala, a school established in 1921 in the wake of the National Movement, the Mandal today has grown into a big educational complex imparting high-level education to more than 35,000 students.

Since embarking on its journey of providing education to all levels of the student community in the early 1930s SVKM has flourished into an educational giant that has attained national recognition in multiple streams of higher education. SVKM has mastered the art of being able to transform itself into a close knit family while also assisting its students in achieving all-round development, becoming employable and attaining success.

Over the past 80 years, the Mandal has developed a large educational complex in Vile Parle, in Suburban Mumbai and has spread its wings to metro cities. Driven by a strong vision and passion for being the pioneers of the modern education system, all SVKM institutes are state of the art, with ever increasing facilities and infrastructure.

With its roots in the Swadeshi Movement, marked by patriotic fervor, selfless service and the spirit of indigenous enterprise, the Mandal has now evolved into an educational foundation promoting global thinking consistent with national interest and promoting the values, professionalism, social sensitivity and dynamic entrepreneurship.

About Mithibai College

Mithibai College of Arts, Chauhan Institute of Science & Amrutben Jivanlal College of Commerce & Economics (Autonomous) has evolved into a dream education destination for the finest and most talented students since its inception in 1961. The college has 22 departments associated with the faculties of Arts, Science & Commerce. There are 16 Post Graduate programs and 10 Research Centres offering Ph.D. programmes. The college is also a recipient of grants to the tune of 11.62 crores under Rashtriya Uchchar Shiksha Abhiyan (RUSA-2), DBT and DST.

The University of Mumbai proclaimed Mithibai college as the Best College in 2016-17. The efforts of the college have won it recognition as being 3rd best among private autonomous Arts, Science and Commerce colleges in India and 2nd best in Maharashtra and Mumbai by EduWorld in 2023-24. India Today in its July 2023 issue has ranked the college 1st in the western region among the top 5 region-wise best colleges of India 2023 as well as 1st in Mumbai among the top 3 city-wise best colleges. The University of Mumbai recently granted the 'Empowered Autonomy' status to SVKM's Mithibai College for the next ten years from 2023-24 to 2032-33 and it will become an independent degree awarding institute under National Education Policy 2020 based on UGC and state government provisions.

SVKM's Mithibai College (Autonomous) provides a diverse choice of courses that motivate students to learn while equipping them to meet real-world challenges. In keeping with the institution's motto of "Higher still and Higher," the college aspires to create an intellectual atmosphere that encourages lateral thinking, promotes holistic development, and develops lifelong learners who will be outstanding global citizens.

VISION

To be recognised as a premier educational institution that practises quality pedagogy, encourages innovation and research while instilling values and providing a vibrant environment for the holistic development of students into valuable global citizens.

MISSION

By strengthening the teaching-learning process through innovative practices, the institution will stimulate the spirit of scientific enquiry and discovery in academics. By providing state-of-the-art institutional infrastructure and excellent human resources the college will foster a better educational environment. The institute will also impart training in entrepreneurial and life skills for enhancing employability.

OBJECTIVES

- To hone students' focus and help them gain depth in their chosen area of study to achieve academic excellence.
- To enable them to prepare for lifelong learning by nurturing independent thinking
- To sensitize the students towards the immediate environment and the society at large
- To provide a platform to actualize students' talents and encourage them to mould their passion into profession

QUALITY POLICY

Mithibai college is committed to quality through:

- The support of all stakeholders that will enable us to improve service offered to our learners.
- Maximization of our human & other resources to effectively enhance the quality of education.
- Provision of state-of-the-art Infrastructure and ICT facilities to moral responsibility towards society and the environment.
- Augment the teaching learning process.
- Fostering competencies that will enable the learners to meet the changing demands of a changing world. Inculcating a sense of moral responsibility towards society and the environment.

RIGHT TO INFORMATION

- Appellate Authority, Principal - Prof. Krutika Desai
- Public Information Officer (PIO): Dr. Meghana Talpade

From the Principal's Desk

"Education is not the learning of facts, but training the mind to think." – Albert Einstein.

For over six decades SVKM's Mithibai College has been committed to academic, co-curricular, and extra-curricular excellence that helps students evolve into conscientious citizens of the nation. We believe that every student is entitled to an excellent education and strive to provide the same. The curricula of programmes offered at Mithibai College have been continuously upgraded since the academic year 2018-19, when autonomy was first granted, to keep pace with the trending developments in industry and education.

Today as the institution takes the momentous first step towards implementing National Education Policy 2020, it gears up to manifest the vision of NEP which is to build an education system rooted in Indian ethos that directly contributes to transforming India into an equitable and vibrant knowledge society by providing high-quality education to all, thereby transforming India into a global knowledge superpower. The vision of the Policy is to instill in the learners a deeply embedded sense of pride in being Indian, not only in thought but also in spirit, intellect, and deeds, as well as to develop knowledge, skills, and values that motivate a responsible commitment to human rights, sustainable development and living, and global well-being, thus reflecting a truly global citizen.

Reorienting teaching programmes to ensure the development of capabilities across a range of disciplines, including sciences, social sciences, arts, humanities, languages, commerce and management; adoption of flexible curricular designs with creative subject combinations drawn up for study in multidisciplinary areas, in addition to rigorous expertise in a subject or across multiple subjects; thrust on research as a co-requisite to an excellent education and holistic development; graduate attributes fostered through substantive learning experiences besides inculcating the scientific process of critical and reflective thought through innovative credit-based courses with an outcome-based approach; field projects & internships in the areas of community engagement and service, environmental education and value driven education including life-skills; soft skills sessions integrated seamlessly into the teaching and learning process – these are just some of the initiatives that Mithibai College plans to undertake in its quest to accomplish the goals of NEP 2020.

Since research is a crucial component of the pedagogical process, NEP will provide opportunities for students to undertake research as part of its four-year UG Degree (Honours with Research) programmes. At the post-graduate level, a mandatory course on research methodology, research or field projects, internships, and apprenticeships will reinforce the dual focus of programmes on acquiring theoretical knowledge and gaining practical expertise, thus enhancing employability of the students. To augment their academic pursuits, training in interpersonal skills have been officially integrated into teaching and learning as in addition to academic knowledge and qualifications, soft skills are indispensable.

As a consequence of SVKM's Mithibai College securing Coursera licences, in the post Covid world, many teachers and students have gained global abilities in a range of fields. Such tools empower students and extend learning beyond the classroom. Furthermore, the educators have upskilled to expand their capabilities and contributed to formulating innovative courses for programmes under NEP.

The process of revamping commenced with the re-accreditation by NAAC with a 'A' grade and 3.57 CGPA followed by Autonomy and today, Mithibai college looks ahead at the next cycle of re-accreditation, sustaining the legacy of excellence achieved with the continuous growth of the previous six years. The University of Mumbai also conferred upon us the Best College distinction in 2016-17. India Today bestowed the highest ranking in Mumbai on our college in 2018-19 which was followed by the status of the second-best autonomous college in Maharashtra and the city of Mumbai in the academic year 2020-21. Today faced with the challenges of NEP, it's a proud moment to observe that Mithibai College continues to add more feathers to its cap with Education World in its EW India Higher Education Rankings 2023-24, ranking us 3rd best among private autonomous ASC colleges in India and 2nd best in Maharashtra and Mumbai in the same category. On the other hand, India Today in its July 23 issue has declared us 1st in the western region among the top 5 region-wise best colleges of India 2023 as well as 1st in Mumbai among the top 3 city-wise best colleges.

In the preceding six years, the College has received substantial grants from a variety of government agencies, including DST-FIST, DBT Star College Scheme, and RUSA-2 Component-8 grant. Our skill and industry-oriented Honours programmes such as B.Com. (Honours), B.Sc. (Honours) Psychology, and B.Sc. (Honours) Applied Statistics and Data Analytics, are operating successfully and drawing the finest students towards them.

In the past six years, several teachers have received their Ph.D.s, demonstrating their academic prowess taking the number of Ph.D.-holding educators to 64. Six of our professors have received Ph.D. guide recognition and 2 members of our faculty were promoted to Professorship.

With our library's state-of-the-art infrastructure RFID at the entrance, integration with SAP, and Braille Embossers for visually impaired students we have established a dynamic and vibrant knowledge centre. The college has procured a membership to InFLIBnet - NList, a UGC consortium of databases; ProQuest Central, Science Direct, and other research databases are accessible via NMIMS. Through ProQuest Central, students and faculty can avail of access to the e-brary resources, where a vast collection of e-books and e-journals may be borrowed online simply through an e-proxy server. The library also has an active Database Hub equipped with computers to cater to the needs of student and faculty researchers.

Smart boards are installed in all 63 classrooms of the college. We have an Entrepreneurship Cell and Skill Hub, a Centre for Holistic Wellness, a Centre for Integrated Research with state-of-the-art equipment in the central instrumentation laboratory, a Centre for Human Excellence, etc. These facilities have improved the academic, administrative, and examination systems of the institution. The college has implemented research and collaboration reforms by appointing an independent Vice Principal-Research, Consultancy, and Collaborations. The college's research facilities have been bolstered by the setting up of a Central Instrumentation Centre equipped with cutting-edge instruments. In the area of extracurricular activities, including cultural and athletic arenas, the college's students have consistently brought accolades and recognition with top positions being secured at the University and State levels. The university has a independent Training and Placement cell with development officers focussed on finessing the soft skills of all students and implement the placement procedures in an efficient and structured manner.

These reforms and developments have been supported and encouraged by our Management. I express my sincere gratitude to all the members of the SVKM Management.

I wish all the students success in their academic endeavours and luck for their future prospects. This prospectus reflects the ethos of the college and an ardent hope for successful implementation of NEP 2020.

National Education Policy – 2020 Road Map

National education policy (NEP-2020) envisions an India - centred education that contributes directly to a sustainable transformation of our nation into an equitable and thriving knowledge society by providing high-quality education to all. As one of the leading and distinguished autonomous institutions in the country, SVKM's Mithibai College is dedicated to the cause of multidisciplinary learning. We are proud to announce the implementation of the National Education Policy 2020 (NEP-2020) from the current academic year 2023-24.

Transformative initiatives in higher education

- ❖ Introduction of holistic multidisciplinary education with autonomy to choose subjects across science, commerce and humanities streams
- ❖ Development of all capacities - intellectual, aesthetic, social, physical, emotional, ethical and moral with an integrated approach
- ❖ Introduction of soft skills enhancing abilities of complex problem solving, critical & creative thinking
- ❖ Promoting multilingualism through ability enhancement courses on communication skills in English and other regional languages
- ❖ Facilitating multiple entry and exit options at the end of each year of the degree programmes
- ❖ Undergraduate degree programmes of either 3 or 4 years duration: UG certificate after completing 1 year (2 semesters); UG diploma after completion of 2 years (4 semesters); Bachelor's degree after completing 3 years; 4-year Bachelor's degree programme - Honours or Honours with Research
- ❖ Learners with UG certificate/diploma are permitted to re-enter within three years to complete the degree programme
- ❖ Flexibility for learners to move from one institution to another to enable them to have multi- and/or inter-disciplinary learning through lateral transfer of credits
- ❖ Opportunity for learners to choose the courses of their interest - inclusion of credit-based courses and projects in the areas of community engagement and service, environmental education and value-based education
- ❖ Students may be permitted to take a break from study but the total duration for completing the programme shall not exceed 7 years
- ❖ Global Citizenship Education and Education for sustainable development

Selection of Courses in Chosen in Discipline

- ❖ Every learner will select one major and one minor course of their selected discipline.
- ❖ Every learner will have to select generic/open elective courses (OEC), Vocational Skill and Skill Enhancement Course {VSC, SEC (VSEC)}, Vocational Skill Course (VSC); Skill Enhancement Course (SEC); Ability Enhancement course (AEC); Indian Knowledge System (IKS); Value Education Course (VEC) from the basket of courses.
- ❖ Every learner will get the opportunity for On-Job Training(OJT): Internship / Apprenticeship; Field Projects (FP), Community engagement and service (CEP); Co-curricular Courses(CC); Research Methodology(RM); Research Project (RP) in each semester up to IV and V. This will expose learners to multidisciplinary learning.
- ❖ Learners will select OEC courses from basket of courses offered by the other disciplines, e.g. Learners from humanities will select OEC from science/commerce stream.
- ❖ Every learner seeking admission in the college will have to register themselves on the portal of Academic Bank of Credits (ABC) and generate ABC ID. Credits accumulated by the learner will be reflected in their ABC account.

The Credit framework is distributed as per the guidelines prescribed by the University Grants Commission (Dec, 2020 guidelines) and Government of Maharashtra vide circular no. NEP-2022/pr.a.kra.09/vishi-3/shikana, dated 20th April, 2023.

ACADEMIC GUIDELINES UNDERGRADUATE COURSES

FIRST YEAR BACHELOR OF ARTS (F.Y.B.A.) – Semesters I & II
Under NEP 2020, following subject combinations are offered in Arts:

Sr. No.	MAJOR SUBJECT COMBINATIONS - Three/Four Years		Sr. No.	MAJOR SUBJECT COMBINATIONS - Three/Four Years	
1.	English	Economics	16.	Economics	Gujarati
2.	English	Political Science	17.	Economics	Hindi
3.	English	Philosophy	18.	Economics	Marathi
4.	English	Psychology	19.	Political Science	Sociology
5.	English	Sociology	20.	Political Science	Philosophy
6.	Psychology	Economics	21.	Political Science	Gujarati
7.	Psychology	Political Science	22.	Political Science	Hindi
8.	Psychology	Philosophy	23.	Political Science	Marathi
9.	Psychology	Sociology	24.	Philosophy	Gujarati
10.	Psychology	Gujarati	25.	Philosophy	Hindi
11.	Psychology	Hindi	26.	Philosophy	Marathi
12.	Psychology	Marathi	27.	Philosophy	Sociology
13.	Economics	Philosophy	28.	Sociology	Gujarati
14.	Economics	Political Science	29.	Sociology	Hindi
15.	Economics	Sociology	30.	Sociology	Marathi

SECOND YEAR BACHELOR OF ARTS (B.A.) - Semester III and Semester IV

A. Compulsory Course: Foundation Course – II

B. Ancillary Courses: (Three Ancillary courses studied at First Year B.A. - Two courses per Subject)

C. Applied Component: (A learner shall opt for any one of the following courses):

1. Advertising and Sales Management
2. Mass Communication
3. Social Work & Social Welfare
4. Comparative Religions
5. Stress Management

THIRD YEAR BACHELOR OF ARTS (B.A.) - Semester V and Semester VI

Learners will study six courses from one of the following specializations (the selected specialization must be from the Ancillary courses chosen by the learner at the SYBA level):

1. English
2. Economics
3. Gujarati
4. Philosophy
5. Political Science
6. Psychology
7. Sociology

FIRST YEAR BACHELOR OF SCIENCE (F.Y.B.Sc.) – Semesters I & II

Under NEP 2020, following subject combinations are offered in Science:

Sr. No.	MAJOR - MINOR SUBJECT COMBINATIONS - Three/Four Years	Sr. No.	MAJOR - MINOR SUBJECT COMBINATIONS - Three/Four Years		
1.	Mathematics	Statistics	7.	Microbiology	Zoology
2.	Mathematics	Physics	8.	Chemistry	Botany
3.	Statistics	Physics	9.	Chemistry	Zoology
4.	Physics	Chemistry	10.	Botany	Zoology
5.	Microbiology	Chemistry	11.	Microbiology	Mathematics
6.	Microbiology	Botany	12.	Microbiology	Statistics

SECOND YEAR BACHELOR OF SCIENCE (B.Sc.) - Semester III and Semester IV

A Compulsory Course: Foundation Course

B. Ancillary Courses: A learner can choose any one of the following combinations comprising of three theory and one practical course in each combination, during each semester, which he/she has completed at First Year B. Sc.

1. Chemistry - Botany
2. Chemistry - Physics
3. Chemistry - Microbiology
4. Botany - Zoology
5. Mathematics - Physics
6. Mathematics - Statistics
7. Chemistry - Zoology

** S.Y.B. Sc. admission (Microbiology - Chemistry) - 45 learners will be granted admission based on merit of the marks secured in the course of Microbiology at the Semester-I and Semester-II examinations and without A.T.K.T. in any of the courses offered at F.Y.B. Sc.

THIRD YEAR BACHELOR OF SCIENCE (B. Sc.)- Semester V and Semester VI

A learner can choose any one of the courses which he/she has completed in second year B. Sc., wherein there will be an applied component course. The learner will have to complete five theory and three practical courses, in each semester.

Any one of the following courses and corresponding applied components will be offered:

Course	Applied Component
1. Botany	Horticulture
2. Chemistry	Drugs and Dyes
3. Mathematics	Computer Programming & System Analysis
4. Microbiology*	Biotechnology
5. Physics	C++ Programming, AVR Micro-controller and VHDL
6. Statistics	Elements of Operations Research
7. Zoology	Fishery Biology

*T.Y.B. Sc. admission for Microbiology (6 Units) - 30 learners will be granted admission based on the merit of marks secured in the course of Microbiology at the Semester I, II, III, IV examinations and without A.T.K.T. in any of the courses offered at S.Y.B. Sc.

SELF FINANCED PROGRAMS - COMMERCE FACULTY

BACHELOR OF MANAGEMENT STUDIES (B.M.S.)

The learner will study nine courses in First year under NEP 2020. The learner will be offered seven courses in each semester of second year and seven courses in each semester of the third year. The learner will have to choose one elective between Finance or Marketing in the third year. One internship project will be included in semester V and a Research Project in semester VI of the third year.

BACHELOR OF COMMERCE (ACCOUNTING AND FINANCE) (B.A.F.)

The learner will study nine courses in First year under NEP 2020. The learner will be offered seven courses in each semester of second year and six courses in each semester of the third year. One internship based project will be included in semester V the third year.

BACHELOR OF COMMERCE (BANKING AND INSURANCE) (B.B.I.)

The learner will study nine courses in First year under NEP 2020. The learner will be offered seven courses in each semester of second year and six courses in each semester of the third year. One research based project will be included in each semester of the third year, which will be based on Banking in Semester V and Insurance in Semester VI.

BACHELOR OF COMMERCE (FINANCIAL MARKETS) (B.F.M.)

The learner will study nine courses in First year under NEP 2020. The learner will be offered six courses in each semester of second year and six courses in each semester of the third year. One research based project will be included in each semester of the third year.

BACHELOR OF COMMERCE (HONOURS)

The learner will be offered seven courses compulsory theory courses in second year and five courses in each semester of third year. There is compulsory internship in semester V and project work in semester VI.

BACHELOR OF COMMERCE (MANAGEMENT & FINANCE)

B.Com. (Honours) has been renamed as the B.Com. (Management & Finance) with the introduction of NEP-2020 from academic year 2023-24. The learner will study nine courses in First year under NEP 2020.

ADMISSION POLICY

ADMISSION PROCESS FOR UNDERGRADUATE PROGRAMS - FIRST YEAR DEGREE PROGRAM

1. The final admission of learners applying for First year degree to all the UG Programs (All Self Finance Programs, B.A., B.Com., and B.Sc. (Other than In-house* Category) for the Academic Session 2023-24 will be based on equal weightage to class XII marks (aggregate of all subjects) and CUET score (from General Test). Under NEP 2020, UG Programs will be of 3 years duration with minimum 132 credits or 2 years duration with Honours / Honours with Research.
Admissions will be given based on equal weightage to class XII marks and CUET score.
In-house category includes students from C.N.M. School, A.V. Patel Junior College & J. V. Parekh International School and SVKM's Mithibai Junior College.
2. The admission procedure will be considered complete only when the full fee for the academic year is paid (against an official receipt) and the name of the learner appears on the relevant roll call.
3. Admission to an academic year of all UG and PG programs is valid for only one year and therefore it will have to be renewed for each subsequent year of the program.
4. All admissions are provisional and subject to enrolment and granting of eligibility by the University of Mumbai.
5. The college is conferred with Gujarati linguistic minority status by the Government of Maharashtra under which 50% of the seats at the entry level are reserved for the aforesaid linguistic minority, after admitting in-house learners for the undergraduate aided programs viz. F.Y. B.A. /B.Com. / B.Sc. only.
6. Learners from SVKM's Mithibai Junior College, A. V. Patel Junior College, C.N.M. School and J. V. Parekh International school are considered as IN-HOUSE students for admissions to the aided under-graduate programs. The remaining seats in the aided programs, after admitting the in-house learners, will be allotted as per merit and according to other norms laid down by the Government from time to time.
7. No in-house quota is applicable for admissions to unaided programs.

ADMISSION PROCEDURE FIRST YEAR DEGREE COURSES

1. Admission to the first year of all the programs, will be conducted as per the guidelines and schedule announced by the college after the declaration of Std. 12 results of various Boards. The schedule of admission will be displayed on the notice board and college website (www.mithibai.ac.in), as and when received from the University of Mumbai.
2. The learner must register online on the admission portal of the University of Mumbai to be eligible to seek admission. The learner is required to fill in the University enrolment form, under **AUTONOMOUS** category without which the admission will not be approved by the University of Mumbai. If he / she fails to fill the enrolment form, he/she will be disqualified from the examination and his/her name will be struck off from the College Roll.
3. They should register online for filling up the **Admission form (Phase-I)** on the Mithibai College website homepage (www.mithibai.ac.in).
4. Learners are also required to make the **mandatory online payment of Rs. 100/- per program** as admission processing fee failing which their Application will not be considered for merit list generation and for admission.

5. All admissions are provisional and subject to the approval of the University of Mumbai.
6. No learner will be deemed as admitted to the college unless he/she submits the duly filled downloaded Mithibai college online form and has paid the necessary fees and deposits.
7. Learners from other than Maharashtra State Higher Secondary Board must support their statements of the last examination passed by attaching the certificates of passing and must also attach a photocopy of the fee receipt of the provisional eligibility certificate at the time of admission. Learners should submit the necessary documents at the time of admission for confirmation of the eligibility. If the eligibility is not confirmed by the University, the terms kept for the academic year will be treated as "Null and Void".
8. If the learner has a gap in passing his/her HSC or equivalent examination at the time of seeking admission to the first year program, he/she has to submit the Gap Certificate in the prescribed format.
9. Learners from other than Maharashtra State Higher Secondary Board **must include marks of ALL subjects (not best of four / five) appearing in the marksheet / grade card** while filling the online application form of Mithibai College.
10. **Learners** from international boards will be granted admission on the basis of projected scores.
11. Admission process of NRI students is mediated through the single window system of University of Mumbai. The learner will be required to apply to the University of Mumbai portal for the same.
12. A learner once admitted to the first year of the program, will be considered as duly enrolled for the first semester and the second semester unless he/she informs in writing his/her intention to leave the college before the commencement of the second semester.
13. The requirements for change of stream during admissions are as below:
 - (i) The faculty of Commerce can only admit students who have passed from the stream of Science or Commerce.
 - (ii) The faculty of Arts can admit students who have passed from all other streams as well.
 - (iii) The faculty of Science can only admit students who have passed from the Science stream.
 - (iv) Subsequent change of faculty in second and/or third year is not permitted.
14. At the time of admission, the learner will have to submit the following **original documents** which will be returned after the enrolment process at the University of Mumbai is completed:
 - (i) Marksheets of Class X
 - (ii) Marksheets of Class XII
 - (iii) Leaving / Transfer / Migration certificate from Class XII
15. **Incomplete forms will not be considered for admission.** In case of discrepancy found in any documents the college reserves the right to cancel admission.
16. **Eligibility Certificate**
 - (i) Learners passing Class XII Examinations from Foreign Boards and candidates passing from International Baccalaureate or 'A' levels examinations - General Certificate of Education / Cambridge International School Exam or University of London, must first obtain a 'PRIMA FACIE' eligibility letter from the University of Mumbai for the purpose of admission to all the first-year degree programs.
 - (ii) Learners passing the Class XII from Boards/Universities other than Maharashtra State Board and seeking admissions to first year degree programs are required to apply for a provisional Eligibility Certificate through the College at the time of admission.

ELIGIBILITY FOR ALL SELF FINANCE UNDERGRADUATE PROGRAMS

FIRST YEAR DEGREE PROGRAMS(For the Academic Year 2023-2024)

B.A., B.Com. and B.Sc.- Other than In-house category

- ❖ First year Admissions to all the UG Programs (All Self Finance Programs, B.A., B.Com., and B.Sc. (Other than In-house* Category) for the Academic Session 2023-24 will be held through **Common University Entrance Test- CUET (UG)-2023** being conducted by **National Testing Agency (NTA)**.
- ❖ Admissions will be given based on **equal weightage to class XII marks and CUET score**.
- ❖ **The CUET score of the 'General Test' category (Code: 501) will be considered as the component for admission purpose.**

(*In-house category includes students from C.N.M. School, A.V. Patel Junior College & J. V. Parekh International School and Mithibai College.)

The candidates who are class XII appeared/passed are also supposed to satisfy the following eligibility criteria for these programs to seek admission:

Sr. No.	Program offered	Eligibility for the program	Remarks
1	Bachelor of Arts (B.A.)	A candidate must have passed the Higher Secondary School Certificate (Std. XII) examination conducted by the Maharashtra/ other Indian State Boards or equivalent examination	The final admission to the program will be given based on equal weightage to class XII marks (aggregate of all subjects) and CUET score (from General Test). Under NEP 2020, UG Programs will be of 3 years duration or 4 years duration with Honours / Research.
2	Bachelor of Arts in Multimedia and Mass Communication (B.A.M.M.C.)	A candidate must have passed the Higher Secondary School Certificate (Std. XII) examination (with minimum of 60% marks in aggregate of all subjects) conducted by the Maharashtra/ other Indian State Boards or equivalent examination	The final admission to the program will be given based on equal weightage to class XII marks (aggregate of all subjects) and CUET score (from General Test). Under NEP 2020, UG Programs will be of 3 years duration or 4 years duration with Honours / Research.
3	Bachelor of Commerce (B.Com.)	A candidate must have passed the Higher Secondary School Certificate (Std. XII) examination conducted by the Maharashtra / other Indian State Boards or equivalent examination	The final admission to the program will be given based on equal weightage to class XII marks (aggregate of all subjects) and CUET score (from General Test). Under NEP 2020, UG Programs will be of 3 years duration or 4 years duration with Honours / Research.

4	Bachelor of Management Studies (B.M.S.)	A candidate must have passed the Higher Secondary School Certificate (Std. XII) examination (with minimum of 60% marks in aggregate of all subjects) conducted by the Maharashtra/ other Indian State Boards or equivalent examination or Diploma program in any Engineering Branches with two years or three years after SSC/(Std. X) examination conducted by the Board of Technical Examination or its equivalent examination	The final admission to the program will be given based on equal weightage to class XII marks(aggregate of all subjects) and CUET score (from General Test). Under NEP 2020, UG Programs will be of 3 years duration or 4 years duration with Honours / Research.
5	Bachelor of Commerce (Accounting & Finance) (B.A.F.)	A candidate must have passed the Higher Secondary School Certificate (Std. XII) examination (with minimum of 60% marks in aggregate of all subjects) conducted by the Maharashtra/ other Indian State Boards or equivalent examination	The final admission to the program will be given based on equal weightage to class XII marks (aggregate of all subjects) and CUET score (from General Test). Under NEP 2020, this UG Program is likely to be of 3 years duration or 4 years duration with Honours / Research.
6	Bachelor of Commerce (Financial Markets) (B.F.M)	A candidate must have passed the Higher Secondary School Certificate (Std. XII) examination (with minimum of 60% marks in aggregate of all subjects) conducted by the Maharashtra/ other Indian State Boards or equivalent examination	The final admission to the program will be given based on equal weightage to class XII marks (aggregate of all subjects) and CUET score (from General Test).Under NEP 2020, this UG Program is likely to be of 3 years duration or 4 years duration with Honours / Research.
7	Bachelor of Commerce (Honours) B.Com. (Hons.)	A candidate must have passed the Higher Secondary School Certificate (Std. XII) examination (with minimum of 60% marks in aggregate of all subjects) conducted by the Maharashtra/ other Indian State Boards or equivalent examination	The final admission to the program will be given based on equal weightage to class XII marks (aggregate of all subjects) and CUET score (from General Test). Under NEP 2020, this UG Program is likely to be of 3 years duration or 4 years duration with Honours / Research.
8	Bachelor of Commerce (Banking and Insurance) (B. B. I.)	A candidate must have passed the Higher Secondary School Certificate (Std. XII) examination (with minimum of 60% marks in aggregate of all subjects) conducted by the Maharashtra / other Indian State Boards or equivalent examination	The final admission to the program will be given based on equal weightage to class XII marks (aggregate of all subjects) and CUET score (from General Test). Under NEP 2020, this UG Program is likely to be of 3 years duration or 4 years duration with Honours / Research.

9	Bachelor of Science (B.Sc.)	<p>A candidate must have passed the Higher Secondary School Certificate (Std. XII) examination conducted by the Maharashtra / other Indian State Boards or equivalent examination.</p> <p>MCVC Stream : A candidate for being eligible for admission to the three years integrated program leading to the degree of Bachelor of Science (B.Sc.) must have passed the Higher Secondary Vocational Courses School Certificate (HSC/XII) Examination Certificate (HSC/XII) examination conducted by the Maharashtra State Board of Secondary and Higher Secondary Education Pune.</p> <p>Further, the students, passing the (HSC/XII) examination with the MCVC stream shall be eligible for admission to F.Y.B.Sc. Subject combinations will be displayed on the college website.</p>	<p>The final admission to the program will be given based on equal weightage to class XII marks (aggregate of all subjects) and CUET score (from General Test). Under NEP 2020, UG Programs will be of 3 years duration or 4 years duration with Honours / Research.</p>
10	Bachelor of Science - Applied Statistics and Data Analytics (Hons.)	<p>A candidate must have passed Higher Secondary School Certificate Examination (XII) (with minimum 60 % marks in aggregate of all subjects) in Science stream conducted by the Maharashtra State Board of Secondary and Higher Secondary Education with Mathematics and Statistics as one of the subjects or its equivalent.</p>	<p>The final admission to the program will be given based on equal weightage to class XII marks (aggregate of all subjects) and CUET score (from General Test).</p> <p>Under NEP 2020, UG Programs will 3 years duration or 4 years duration with Honours / Research.</p>
11	Bachelor of Science Biotechnology	<p>A candidate must have passed Higher Secondary School Certificate Examination (XII) (with minimum 60 % marks in aggregate of all subjects) in Science stream conducted by the Maharashtra / other Indian State Boards or equivalent examination.</p> <p>A candidate who has not offered Mathematics and Statistics as one of the Course at H.S.C. (Std. XII) shall have to satisfactorily complete a bridge course in Mathematics and Statistics during the academic year of First year B.Sc. in which he is admitted.</p>	<p>The final admission to the program will be given based on equal weightage to class XII marks (aggregate of all subjects) and CUET score (from General Test).</p> <p>Under NEP 2020, UG Programs will 3 years duration or 4 years duration with Honours / Research.</p>

12	Bachelor of Science (Computer Science)	A candidate must have passed Higher Secondary School Certificate Examination (XII) (with minimum 60 % marks in aggregate of all subjects) in Science stream conducted by the Maharashtra/other Indian State Boards or equivalent examination with Mathematics and Statistics as one of the courses or its equivalent.	The final admission to the program will be given based on equal weightage to class XII marks (aggregate of all subjects) and CUET score (from General Test). Under NEP 2020, UG Programs will be of 3 years duration or 4 years duration with Honours / Research.
13	Bachelor of Science -Psychology (Hons.)	A candidate must have passed Higher Secondary School Certificate Examination (with minimum 60 % marks in aggregate of all subjects) (XII) conducted by the Maharashtra State Board of Secondary and Higher Secondary Education or its equivalent in any stream.	The final admission to the program will be given based on equal weightage to class XII marks (aggregate of all subjects) and CUET score (from General Test). Under NEP 2020, UG Programs will be of 3 years duration or 4 years duration with Honours / Research.

SVKM's Mithibai College (Autonomous) authorities will apply the said norms as per the guidelines of University of Mumbai and provisions of UGC as well as the State Government.

RESERVATION POLICY- FIRST YEAR DEGREE PROGRAM

1. The college is conferred with Gujarati linguistic minority status by the Government of Maharashtra as per Circular Number 2008/62/(31)/359/2008 under which 50% of the seats at the entry level are reserved for the foresaid linguistic minority, after admitting in-house learners for undergraduate aided courses viz. F.Y.B.A. /B. Com. / B.Sc. only.
2. As per the Judgement dated 12th October 2017 of the Honourable Bombay High Court vide writ Petition No. 1726 of 2001, minority colleges do not need to set aside seats for backward classes. This is reiterated by the University of Mumbai Circular (No. Aff. / Recog.I / Admission / (2018-19) / 10 / of 2018), dated 30th May, 2018. This Judgement renders null & void the Directives regarding reservation of seats given by the University of Mumbai vide Circular No. Spl. Cell / (68) / 218 / 2005 dated 3rd June, 2005 [i.e., SC (13%) / ST (7%) / DT(A) (3%) / NT(B) (2.5%) / NT(C) (3.5%) / NT(D) (2%) / OBC (19%) / SBC (2%)].
3. The other reservations as per University of Mumbai circular dated 24th May 2012, viz. 3% to armed forces, defence, widows of armed martyrs, freedom fighters and physically disabled candidates, are provided. **NO ADMISSION WILL BE GRANTED ON THE BASIS OF LEARNING DISABILITY (LD).**
4. Two supplementary seats are reserved for students from Jammu & Kashmir as per University Circular No. Aff/ICC/2021-13/22 dated 8th January 2013.

FEE CONCESSIONS- FIRST YEAR DEGREE PROGRAM

1. Learners securing admission under general category and belonging to reserved category (SC/ ST/ DT/ NT/ OBC /SBC) are entitled to get fee concession, provided they have submitted necessary relevant documents at the time of admission.
2. The documents required for claiming fee concession should have been issued by **Government of Maharashtra ONLY.**

CANCELLATION OF ADMISSION- FIRST YEAR DEGREE PROGRAM

Up to 20 days after the commencement of the academic term of the course.	20% of the total amount of fees.
From the 21 st day upto 50 days after commencement of the academic term of the course.	30% of the total amount of fees.
From 51 st day upto 80 days after the commencement of the academic term of the course or August 31 st whichever is earlier.	50% of the total amount of fees.
From 51 st day upto 80 days after the commencement of academic term of the course or August 31 st whichever is earlier.	50% of the total amount of fees.
From September 1 st to September 30 th	60% of the total amount of fees.
After September 30 th	100% of the total amount of fees.

ADMISSION TO SECOND AND THIRD YEAR OF UNDERGRADUATE PROGRAMS

- Once a learner passes out from first year, he/she will not be admitted to another faculty.
- A learner of this college who has qualified himself / herself for admission to a higher class will be admitted to such a class only if an application in the prescribed online format is duly completed and has been received by the college office with the necessary fees, which are stipulated by the college at the time of declaration of results of the lower class.
- A learner once admitted in the third/fifth semester will be considered as duly enrolled for the fourth/sixth semester respectively, unless he/she informs in writing his/her intention to leave the college before the commencement of the second term of the Academic Year.
- The rules for progression from first year to second year and from second year to third year are as follows:

Semester Examinations	Eligibility Criteria	Admission to Subsequent Year of the Program/Degree awarded
Semester I & II	From Academic year 2022-23, learner will have to pass in all the subjects to be eligible for the admission in second year.	Admitted to SECOND YEAR of the Degree Program

- Repeaters will not be admitted as regular learners. They will be permitted to appear for the respective semester end examination.
- A learner will not be admitted to the college if there are serious complaints of indiscipline against him/her in the previous year.
- The learner debarred for not fulfilling the prescribed attendance norms of the college, will have to get himself / herself readmitted in the semester in which he/she was debarred.
- The debarred learners continue to remain in-house learners of the college. Such learners will have to apply for the re-admission process in the respective semester in which he/she was debarred via the student portal / by approaching the vice principal of the concerned faculty.

9. If due to certain reasons the learner has to take an academic break, he/ she has to fulfil the requirements of the respective program as per the validity period given in the table below, including the academic break. No re-admission / re-examination attempts will be granted after the validity period is over. In case the validity period expires, the learner will have to seek admission, on merit basis, from the first year of the Program.

Name of the Program	Duration of the Program (in years)	Maximum duration permissible for completion of the Program (in years)
Undergraduate Programs	3 years	6 years

10. Learners coming from other colleges affiliated to the University of Mumbai and offered admission must apply for the digital Transfer Certificate in the prescribed form available in the college office. However, it is the responsibility of the learner to obtain the Transfer Certificate and a No Objection Certificate from his/her previous college and submit it to the college office on time. If the Transfer Certificate is not submitted on time, the learner will not be eligible for the program and therefore will not be allowed to appear for semester end examination of the college.

POST GRADUATE DEGREE PROGRAMS – ADMISSION PROCESS FOR PART I

- Admission of the learners to the autonomous post graduate degree program will be on the basis of merit in the entrance examination conducted, unless specified otherwise.
- All applications for admissions should be submitted online within the date notified by the college. Late applications will not be accepted.
- The admission procedure will be considered complete only when the full fee for the academic year is paid (against an official receipt) and the name of the learner appears on the relevant roll call.
- Admission to an academic year of all PG programs is valid for only one year and therefore it will have to be renewed for each subsequent year of the program.
- All admissions are provisional and subject to enrolment and the granting of eligibility by the University of Mumbai.
- The college is conferred with Gujarati linguistic minority status by the Government of Maharashtra under which 50% of the seats at the entry level are reserved for the foresaid linguistic minority.

POST GRADUATE DEGREE PROGRAMS- ADMISSION PROCEDURE FOR PART I

- Admission to part I of all the programs, will be conducted as per the schedule of admission displayed on the College notice Board and the Website (www.mithibai.ac.in)
- Learners should fill in the online Pre-enrollment form of University of Mumbai under AUTONOMOUS category. If he / she fails to fill the enrolment form, he/she will be disqualified from the examination and his/her name will be struck off from the College Roll.
- They should register online for filling up the Admission form (Phase - I) on the Mithibai College website homepage (www.mithibai.ac.in).
Learners are also required to make the mandatory online payment of Rs. 100/- per program as admission processing fee failing which their form will not be considered for merit list generation and for admission.

4. For M.A. and M.Com. admission, total marks scored at the Semester – I, II, III, IV, V & VI of undergraduate program must be filled in the Preadmission form (Phase I). For M.Sc. admissions, the total marks scored at the Semester – I, II, III, IV, V & VI of the undergraduate program in the main (core) courses only must be filled (excluding the applied component).
5. Learners whose names appear in the merit list will be required to again log-on to the Mithibai website (www.mithibai.ac.in) and fill up the college Final Admission Form (Phase-II). They are required to take a print of the duly filled form and submit it with the original documents required, along with the annual fees, for completing the admission process.
6. At the time of admission, the learner will have to submit the following original documents which will be returned after the enrolment process at the University of Mumbai is completed:
 - (i) Marksheets of undergraduate programs (Semester V and VI)
 - (ii) Marksheets of Class XII
 - (iii) Leaving / Transfer / Migration certificate
7. All admissions are provisional and subject to the approval of the University of Mumbai.
8. No learner will be deemed as admitted to the college unless he/she submits the duly filled downloaded Mithibai college online form and has paid the necessary fees and deposits.
9. Incomplete forms will not be considered for admission. In case of discrepancy found in any documents, the college reserves the right to cancel admission.
10. A learner once admitted to the first year of the program, will be considered as duly enrolled for the first semester and the second semester unless he/she informs in writing his/her intention to leave the college before the commencement of the second semester.
11. **Eligibility Certificate**
Learners passing from other than University of Mumbai are required to apply for a provisional Eligibility Certificate through the College at the time of admission.
12. SVKM'S Mithibai College will conduct an entrance test for Post-Graduate Admissions to their PG Programme (M.A. & M.Sc.) for UG – Third year appeared / passed candidates.
13. Candidates will be required to attempt a computer based MCQs test at Mithibai College for 100 questions (1 mark each) in the time duration of 100 minutes and appear for an interview in front of a panel of subject experts.
14. The candidate has to ensure that they have read all the instructions & eligibility criteria before registering. Registration for filing up the common Entrance Test online Admission form for the Mithibai College (Autonomous) website homepage (www.mithibai.ac.in) or <https://sdcappscs.svkm.ac.in:44300/irj/portal>
Following are the Programmes for which admission will be based on Mithibai Entrance Test.
 - (i) Master of Science in Biochemistry
 - (ii) Master of Science in Botany
 - (iii) Master of Science in Chemistry :
 - (a) Organic
 - (b) Analytical
 - (c) General
 - (iv) Master of Science in Computer Science
 - (v) Master of Science in Mathematics
 - (vi) Master of Science in Physics
 - (vii) Master of Science in Statistics
 - (viii) Master of Science in Zoology
 - (ix) Master of Arts in English
 - (x) Master of Arts in Economics
15. Merit list will be generated based on the entrance test score (60 % weightage), Interview score (20 % weightage) and the marks scored in degree college aggregate of semesters I to VI or V (incase semester VI results are not declared).

ELIGIBILITY FOR POSTGRADUATE PROGRAMS

PROGRAM	ELIGIBILITY								
Master of Science (M. Sc.) Degree Course – Botany, Chemistry, Microbiology, Physics, Zoology [Aided] -Analytical Chemistry, Mathematics, Statistics [Self-financed]	A learner for being eligible to apply for admission to the M.Sc. degree course by papers in the branches other than those of Computer Science, Biochemistry, Biotechnology, must have passed, the B.Sc. degree examination of this university or degree of any other university recognized as equivalent thereto with minimum 46 credits or its equivalent (i.e, the minimum credits required for majoring in a subject and excluding the credits for optional courses) of the subject which he/ she wants to undertake for the M.Sc. degree course by papers.								
M. Sc. (Biochemistry) [Self-financed]	A learner who has either passed bachelor's degree examination of University of Mumbai in Science or equivalent degree of any other university recognized as equivalent thereto with one of the following as major subject, (i) With Biochemistry as a main / major / principal subject at the B.Sc. Degree examination of this University or equivalent degree of other University. <p style="text-align: center;"><u>OR</u></p> (ii) With Chemistry as a main / major / principal subject at the B.Sc. Degree examination of this University or equivalent degree of other University. <p style="text-align: center;"><u>OR</u></p> (iii) With 3 Units of Biochemistry at T.Y.B.Sc. in combination with any other subject with 3 units at T.Y.B.Sc. <p style="text-align: center;"><u>OR</u></p> (iv) With Biochemistry and Chemistry at T.Y.B.Sc. and any of the Biological sciences as ancillary subjects.								
M. Sc. (Biotechnology) [Self-financed]	A learner being eligible for admission to the M.Sc. degree course in Biotechnology must have passed, (a) The B.Sc. (three-year integrated course) degree examination of this University or any other University recognized as equivalent thereto) with the major subject Biotechnology. <p style="text-align: center;"><u>OR</u></p> (b) With three units in Biotechnology at T.Y.B.Sc. in combination with three units of any other major subject at the T.Y.B.Sc.								
M. Sc. (Computer Sciences) [Self-financed]	A learner who has either passed bachelor's degree examination of University of Mumbai in Science or equivalent degree of any other university recognized as equivalent there to with one of the following as major subject. <table border="1" style="margin: 10px auto; width: 80%;"> <thead> <tr> <th style="text-align: center;">Major</th> <th style="text-align: center;">Ancillary</th> </tr> </thead> <tbody> <tr> <td style="text-align: center;">Mathematics</td> <td style="text-align: center;">-</td> </tr> <tr> <td style="text-align: center;">Physics</td> <td style="text-align: center;">Mathematics</td> </tr> <tr> <td style="text-align: center;">Statistics</td> <td style="text-align: center;">Mathematics</td> </tr> </tbody> </table> <p style="text-align: center;"><u>OR</u></p> The Bachelor of Engineering (B.E.) degree examination <p style="text-align: center;"><u>OR</u></p> The B.Sc. (Computer Science) / BCS / B.Sc. (I.T.) Degree Examination.	Major	Ancillary	Mathematics	-	Physics	Mathematics	Statistics	Mathematics
Major	Ancillary								
Mathematics	-								
Physics	Mathematics								
Statistics	Mathematics								

PROGRAM	ELIGIBILITY
Master of Commerce (M.Com.) (Advanced Accountancy) [Self-financed]	A learner for being eligible for admission to Master of Commerce, must have passed the examination for the degree of Bachelor of Commerce (three years/Six Semester integrated course) or the degree B. Com. (Old Course) or the other Semester based Programmes i.e. Bachelor of Commerce (Banking & Insurance) or Bachelor of Commerce (Accounting & Finance) or Bachelor of Commerce (Financial Markets) or Bachelor of Management Studies (B.M.S.) of this University, or an examination of any other University recognized as equivalent thereto.
Master of Commerce (M.Com.) (Business Management) [Self-financed]	A learner for being eligible for admission to Master of Commerce, must have passed the examination for the degree of Bachelor of Commerce (three years/Six Semester integrated course) or the degree B. Com. (Old Course) or the other Semester based Programmes i.e., Bachelor of Commerce (Banking & Insurance) or Bachelor of Commerce (Accounting & Finance) or Bachelor of Commerce (Financial Markets) or Bachelor of Management Studies (B.M.S.) of this University, or an examination of any other University recognized as equivalent thereto.
M. A. (Economics) [Self-financed]	A learner for being eligible for admission to Master of Arts in Economics must have passed B.A. Economics from the University of Mumbai or any other Indian University with Economics (Minimum 3 papers of 300 Marks) at their Semesters V and VI of the programme. For other than Arts Faculty and subjects other than Economics, the learners have to appear for a Change of Faculty/Change of Subject Test which will be conducted by the college. The change of Faculty/change of Subject test will be held in MCQ format (online mode) based on the BA syllabus.
M. A. (Psychology) [Self-financed]	A learner for being eligible for admission to Master of Arts in Psychology must have passed B.A. Psychology from the University of Mumbai or any other Indian University with Psychology (Minimum 3 papers of 300 Marks) at their Semesters V and VI of the programme.
M. A. (English) [Self-financed]	A candidate for being eligible for admission to the course leading to the degree of Master of Arts must have passed the examination for the degree of Bachelor of Arts (three-year integrated course) of this University or the degree of Bachelor of Arts (Old that is four year course) of this University or a degree of another University recognized as equivalent thereto. Provided, however, that the applications of graduates of this University in the faculties other than the faculty of Arts, or those who have passed the equivalent examination of another recognized University seeking admission to the M.A. degree course by papers, will be considered by the Academic Council on the merits of each individual case before recommending such applications, the following procedure shall be followed: A written test consisting of 2 papers as under shall be administered in the subject in which the student desires to register for his M.A. degree. (i) An essay paper in the subject, (ii) A paper to test the students general acquaintance with the subject.

ADMISSION TO SECOND YEAR OF POSTGRADUATE PROGRAMS

1. A learner of this college for admission to the second year of the postgraduate program will be admitted only if an application in the prescribed online format is duly completed and has been received by the college office with the necessary fees on the dates, which are stipulated by the college.
2. A learner will not be admitted to the college if he/she has serious complaints of indiscipline against him/her in the previous year.
3. The learner debarred for not fulfilling the prescribed attendance norms of the college, will have to get himself / herself readmitted in the semester in which he/she was debarred.
4. The debarred learners continue to remain in-house learners of the college. Such learners will have to apply for the re-admission process in the respective semester in which he/she was debarred via the student portal / by approaching the vice principal of the concerned faculty.
5. If due to certain reasons the learner has to take an academic break, he/ she has to fulfil the requirements of the respective program as per the validity period given in the table below, including the academic break. No re-admission / re-examination attempts will be granted after the validity period is over. In case the validity period expires, the learner will have to seek admission, on merit basis, from the first year of the Program.

Name of the Program	Duration of the Program (in years)	Maximum duration permissible for completion of the Program (in years)
Post Graduate Programs	2 years	4 years

6. Learners coming from other colleges affiliated to the University of Mumbai and selected for admission must apply for the digital Transfer Certificate in the prescribed form available in the college office. However, it is the responsibility of the learner to obtain the Transfer Certificate and a No Objection Certificate from his/her previous College and submit it to the college office on time. If the Transfer Certificate is not submitted on time, the learner will not be eligible for the program and therefore will not be allowed to appear for semester end examination of the college.

ADMISSION CANCELLATION FOR PG PROGRAMS

The process of cancellation of admission for PG programmes is as follows:-

1. Applicant must fill the admission cancellation form available on office counter.

After September 30 th	100% of the total amount of fees.

Ph.D. DEGREE PROGRAMS

ELIGIBILITY CRITERIA:

Subject to the conditions stipulated in these rules, the following persons are eligible to seek admission to the Ph.D. programme:

A candidate seeking admission to the Ph. D. programme must have a Master's degree or a professional degree equivalent to the Master's degree, by the corresponding statutory regulatory body, with at least 55% marks aggregate or its equivalent Grade 'B' in the UGC 7 or 10-point scale (or an equivalent grade in a point scale wherever grading system is followed) or an equivalent degree from a foreign educational institution accredited by an Assessment and Accreditation Agency which is approved, recognised or authorised by an authority established or incorporated under a law in its home country or any other statutory authority in that country for the purpose of assessing, accrediting or assuring quality and standards of educational institutions.

OR

A candidate possessing Ph.D. degree of University of Mumbai or any other recognized university, as per the guidelines of the UGC from time to time, in each course and wants to pursue Ph.D. in the same or other course.

Ph.D DEGREE PROGRAMS PROCEDURE FOR ADMISSION:

1. All admissions for Ph.D. programs shall be through a Pre-Entrance Test (PET) conducted by the University of Mumbai in first two years i.e., 2019 to 2021 and from 2022 year onwards by the college and interviews conducted by the Department.
2. The college will notify on an annual basis a predetermined and manageable number of vacant seats of Ph.D., depending on the number of available research guides, prescribed quota at the departments, and academic and physical facilities available, keeping in mind the norms regarding the scholar-teacher ratio.
3. The college will notify well in advance on its website and through advertisement at the national level. The details notified on the website will include the number of seats vacant, course/discipline-wise distribution of vacant seats, criteria for admission, procedure for admission, examination centre where entrance test(s) will be conducted and all other relevant information for the benefit of the candidates.
4. The admissions will be based on the criteria notified by the college, keeping in view the guidelines/norms in this regard issued by the UGC and other statutory bodies concerned.

Ph.D DEGREE PROGRAMS PRE-ENTRANCE TEST (PET):

1. The PET will be conducted course-wise for pre-declared courses, jointly for M.Phil. and Ph.D. admissions. The details of the test such as syllabus, format, day and date, venue and time etc., shall be declared by the college well in advance. The syllabus for PET shall be, 50% based on research methodology and the remaining 50% shall be course specific.
2. The college may conduct the PET only for the courses where there are vacancies to be filled.
3. The PET will be conducted by the College normally within three months of the date of beginning of the academic year.
4. The validity of the PET result for taking admission for the Ph.D. programme will be for three years from the declaration of the respective result.
5. The candidate seeking admission to a Ph.D. programme in a course other than the course in which he/she has obtained Master's degree will take the PET in the course in which he/she has obtained Master's degree and clear an Aptitude Test in the course in which he/she is seeking admission, specially designed and conducted by the college where he/she is seeking admission, provided that both the courses are from the same faculty.
6. For the candidate seeking admission to a Ph.D. programme in a course of a faculty other than the faculty in which he/she has obtained the Master's degree, the rules of change in faculty will be applicable.
7. The PET shall be conducted in online mode in a controlled environment and the candidates will not be allowed to take the test from a location other than the college.

EXEMPTION FROM PET:

The following candidates will be exempted from PET:

1. Candidates who have qualified UGC-NET/UGC-CSIR NET/SLET/GATE/INSPIRE and any other JRF holders of the apex bodies like CSIR/ ICAR/ ICMR/ DBT/ DST/ ICSSR.
2. Ph.D. degree holder of University of Mumbai or any other recognised University who desires to pursue Ph.D. at this College.

INTERVIEWS FOR ADMISSION TO Ph.D. PROGRAMME:

1. Interviews of the candidates who have cleared PET shall be organised by the College.
2. The Principal of the college will constitute Ph.D. interview committees course-wise. The constitution of the Interview Committees shall be as follows:
The Committee shall comprise of:
 - i. The Principal as the Chairperson;
 - ii. One or two subject experts from outside, who are Ph.D. holders in the discipline and not below the rank of Associate Professor;
 - iii. The recognised guide in the department.
3. The interview will be conducted at the respective Department and the following aspects will be considered during the interview:
 - i. Whether the candidate has basic knowledge of the chosen area;
 - ii. Whether the candidate possesses competence for the proposed research;
 - iii. Whether the research work can be suitably undertaken at the college;
 - iv. Whether the proposed area of research can contribute to new/additional knowledge.
4. The Head of the Department will submit the report of the committee to the Principal within a period of not more than 30 days from the date of completion of the interviews.
5. The college will publish the lists of candidates selected for admission and submit the same to the University for information, within a period of 30 days of registration of the candidate.
6. The College will maintain the list of all the Ph.D. registered learners on its website on a yearly basis. The list will include the names of the registered candidate, topic of his/her research, name of his/her guide/co-guide, date of enrolment/registration.
7. The selected learner will complete the formalities of admission at the college by paying the prescribed fees.

SVKM's Mithibai College (Autonomous) authorities reserve the right to make modifications in the said rules from time to time as per the guidelines of University of Mumbai and provisions of UGC as well as the State Government.

General Rules and Guidelines

CODE OF CONDUCT

Discipline:

Mithibai College gives utmost priority to discipline of everyone. Students and staff are bound to follow the rules and regulations of the college and maintain strict discipline. Students are the stakeholders of the college community and as such they are expected to behave responsibly, to respect people, to take care of college property and to comply with college rules and regulations whether on the college premises or elsewhere. Ignorance of the rules shall not be an excuse for violation.

In all matters of indiscipline and indecent behaviour, the matter will be referred to the college DISCIPLINE AND VIGILANCE COMMITTEE. The decision of the Principal will be based on recommendations of the committee and will be abiding to all.

Punctuality:

- o The classes will begin at the scheduled time as per the time-table. Coming late is not permitted. Faculty has the authority not to allow late comers from entering the class-room

Mode of communication to students:

- o All important notices will be displayed on the college website as well as on the college notice boards.
- o Students must make it a habit to check the notices regularly. Students are advised not to rely on rumours on any matters.

College Identity Card:

- o All students are issued an identity card. This card must be worn around the neck at all times in the college premises.
- o Identity cards should be presented on demand by any college official/staff.
- o If a student is found by the faculty without the identity card worn around the neck (when on campus), a fine of Rs.500/- will be imposed (which will go to the students welfare fund).
- o Lending/using of the Identity card by another student is prohibited and the students at fault will be punished with a fine of Rs.500/- each and/or suspended from the college.
- o If the Identity card is lost, the student must inform the college principal in writing immediately. A fresh identity card will be issued to the student on payment of Rs.500/- (which will go towards students' welfare fund).

Use of mobile phones and other electronic gadgets:

- o Use of mobile phones and other electronic gadgets during the lectures and practicals is not allowed unless with the permission of the faculty for the furtherance of the lecture or discussion.
- o If a student is found using electronic gadgets including smart watches/phones during lectures, his/her identity card will be confiscated and given to the vice principal for further disciplinary action including a fine of Rs.500/- (which will go towards the students' welfare fund).

Dress Code:

- o Students should dress appropriately taking into consideration the academic atmosphere and the Indian culture. Accordingly, short/sleeveless/dresses and ripped jeans/shorts are considered inappropriate.

Other Rules:

- o The College does not give permission for class picnics and outings. However, excursions and study tours as part of the course syllabus are permitted.
- o Ragging is strictly prohibited in the college premises. If anyone is found indulging in such activities, strict action will be taken on a complaint of ragging. As per the Supreme Court Order of May 2007, the college authorities may file an F.I.R. with the police and dismiss the student from the college. Ragging is an offence punishable as per the law resulting in imprisonment and or heavy penalty (Ref: UGC Circular No. F.1-16/2009 (CPP-II). As per the UGC Regulation, each student and every parent has to submit an online undertaking of Anti-ragging in every academic year at www.antiragging.in & www.amanmovement.org.
- o Physical violence and any form of aggression will lead to suspension or dismissal of the student from the college and the college may file an F.I.R. with the police.
- o If a student is caught in possession or consumption of drugs, cigarettes or alcohol on the campus, it will lead to immediate suspension/dismissal of the student from the college.

Guidelines for use of college facilities:

Laboratories:

- o Students using the laboratories must follow all the instructions of the staff in-charge.
- o Any damage/breakage of the equipment will have to be borne by the concerned student.
- o Strict action will be taken against those students who do not adhere to the laboratory rules.

Use of IT Facilities:

- o The students of Mithibai College are provided with the IT facilities to support their learning and research activities. Its use for any other purpose that interferes with these primary aims, or otherwise which, acts against the interests of the Mithibai is prohibited.
- o The internet access to students will be as per the Mithibai College policy. Any change request has to be routed through the Registrar in writing.
- o Food and/or beverages (except drinking water) and smoking will not be permitted in the Computer Center.
- o Students must comply with all requests or instructions issued by any Information Systems staff with respect to the use of Mithibai College computing facilities.
- o The students should not remove, borrow, connect or disconnect equipment without permission.
- o The students should not deliberately introduce any virus, worm, Trojan horse or other harmful or nuisance program or file into any IT facility, nor take deliberate action to circumvent any precautions taken or prescribed by the institution to prevent this.
- o The students should not in any way cause any form of damage either to the Mithibai College IT facilities, nor to any of the accommodation or services associated with them.
- o The students must adhere to the terms and conditions of all licence agreements relating to IT facilities which you use, including software, equipment, services, documentation and other goods.
- o The students should not load games software or play games on the IT facilities unless required for academic purposes.
- o The students must respect the rights of others and should conduct yourself in a quiet and orderly manner when using IT facilities.

Canteen:

- o It is the responsibility of the student to cooperate in keeping the canteen clean.
- o Used plates, cups and empty packets and bottles should be put into the waste bin kept for that purpose.

Gymkhana:

- o The college gymkhana is available to all bonafide students during the timings mentioned by the authorities.
- o Students are urged to use the gymkhana facilities properly and judiciously.
- o Students are expected to participate in sports tournaments (collegiate / intercollegiate / state / national / international level).
- o Students' Common Rooms must be kept tidy and clean. Common rooms will be closed on Sundays and holidays.
- o Washrooms to be used in a hygienic manner. Please ensure that all taps are closed after use, and flush the toilet after the use to maintain cleanliness.

Decorum to be followed in the academic environment:

- o Mithibai College is committed to serving the needs of students through services beyond the requirement of the college courses.
- o Students should take care to not disturb the ongoing lectures or practicals if they arrive early or while passing through the corridor when the lectures are going on or while waiting in the classroom for the faculty to arrive.
- o Classroom must be kept clean and tidy.
- o Lights, fans and Ac's must be switched off when leaving the classrooms.

LIBRARY

The College Library is spread over 6900 sq. ft. with a seating capacity for 232 users and is divided into various sections viz, Reading Hall, Reference Section, Database Hub, Stacking Area, Staff Area and Baggage Counter.

The air-conditioned library is supported with the modern technology like RFID Antitheft system, Wi-Fi and security camera (CCTV). Library functions are automated using KOHA software and have its WebOPAC, which also serves as UnionOPAC for libraries of SVKM institutions.

Books are issued by the students and staff through the RFID system self issue kiosk. Students can also issue or return the books on their own using independent RFID kiosk. Library collection includes Books, Journals, CDs, audio books, and other reading material with Open Access System to all the users.

Library provides 20 daily newspapers in print. In particular to the e-collection of Jitendra library, the learners have global access to various e-resources under N-LIST consortia and also to the research databases, e-journals and e-books subscribed by NMIMS and libraries of SVKM institutions.

Along with the services of borrowing of books, library provides various other services and facilities to the learners viz, research support services, user training and orientation, virtual and physical display of new additions, Inter Library Loan, selective dissemination of information and current awareness services.

The library has developed its 'Institutional Repository' using open source software. The repository contains past question papers.

For Online Learning, the Library has its Database Hub equipped with 12 computers for students and faculty.

Rules & Regulations of College Library

- o Access to the library is available to the students of Mithibai College with a current college identity card.
- o Bags etc. (exception of laptops and reading/writing material) are not allowed in the library. The same should be deposited at the baggage counter. Library will not be responsible for unattended bags and belongings.
- o Students should mark their attendance in the library using the RFID card reader installed at the entrance of the library.
- o Silence should be maintained in the library. Loud conversations, group discussions, etc. are not allowed. Use of mobile phones for other than academic purpose in the library is strictly prohibited, violating the same may result in fine/ or exclusion from the library.
- o Photography, filming, videotaping in the library is strictly prohibited.
- o Books and other materials taken out from the stacks should not be re-shelved by the readers, but should be handed over to library staff. Please remember that a book misplaced is a book lost.
- o Users should return library books on or before the due dates mentioned on the due date slip, failing which a fine of Rs.1/- per day will be charged from the students for the overdue books.
- o Learners should not violate the copyright rules while photocopying any material borrowed from the library.
- o Data retrieved from the library's electronic resources should not be used for any purpose other than teaching, research and personal education development.
- o Library Clearance will be issued only after return of all library material. Students should surrender their Identity card to the library at the time of clearance.

Quality Mechanism for Innovative Practices:

- o We have implemented through SAP mandatory class attendance policy has been implemented for all the courses.
- o Reigniting a passion for research for which research groups among the faculty and students are formed.
- o Entrepreneurship development cell to boost self-employability among students is set up.
- o Every year an entrepreneurship fair is conducted to develop business skills, among the students.
- o Designing a new curricular with add on courses in tune with the recent trends in education and technology, so that students can find suitable placements in today's job markets and also progress to higher levels of learning.
- o IT enabled smart class rooms are introduced.
- o Introduction of peer mentoring programme HOPE (Healing Our Peers through Empowerment) under which training of students is undertaken to help their peers.
- o Developed a soft skill training programme to inculcate transferable skills, promote campus placement, and to equip students with abilities that would help them to secure better jobs.
- o Submission of monthly report to the management of all the activities undertaken by faculty and students.
- o Students give Online Feedback through the student portal regarding quality of teaching of each faculty. According to the feedback, the teacher is advised and counseled to make the necessary modification in their teaching.
- o Mentoring of Students by the Faculty to improve learning performance and quality of life.
- o Ensuring fairness in assessment by Bar Coding / Masking of answer papers before the assessment process begins.

- o Faculty Induction Program and Faculty Improvement Program for new faculty.
- o Providing a disabled friendly campus which also includes the washrooms.
- o Access to NAB library wherein audio video screen reading software is available,, books are provided to the differently abled students i.e. non visual desktop access, to assist the students in learning is also provided to such students.
- o **Library Timings:**
Monday to Friday: 7.00 a.m. to 7.00 p.m.; Saturday: 10.00 a.m. to 5.30 p.m. (Closed on all Bank Holidays)

SVKM's Student Portal (Learning Management System)

- o Student Portal is a Web-based learning management system designed to allow students and faculty to participate in classes delivered online or use online materials and activities to complement face-to-face teaching.
- o URL: Access Portal through <https://portal.svkm.ac.in/usermgmt/login>
- o Login Policy: Default User ID is Student's SAP number and Password has been mailed to all. Mails are sent to the email ids available in the SAP.
- o Change Password: Students are recommended to change password after first login for safe surfing.
- o Email Update: Users need to change/update their email id & contact number for getting regular notification.
- o Course links: Your login will contain only the current semester course list.
- o Announcements: Announcements related to course and other activities are published in the Announcements section.
- o Online Library: Online Library database is available
- o Remote Access to Databases: Remote access to all the web-based databases subscribed by all SVKM institute libraries globally.
- o Assignments / Assessments: Assignments can be uploaded which will be graded by faculty and online score will be stored. Assessments can be conducted online.
- o Academic Content: Syllabus, Class Time-table etc. can be uploaded.
- o Course Content: All course related reading materials (ppt/notes/videos/links) can be published.
- o Examination related content: Results and exam time table can be made available.
- o Admission Related content: Admission Notices can be published
- o Internal assessment: Internal marks for respective courses can be published.
- o Online Plagiarism: Student / Faculty can check Plagiarism value through this feature.
- o Groups: can be created by faculty for assessments, File Exchange, Discussion Board etc. for their Courses.
- o Student Discussion Board / Chat: This tool can be used by students and faculty to interact and discuss on topics related to their respective courses.
- o System Requirement: Works Best with Chrome. (version 64 and above)
- o Help - Assistance: mail to portal@svkmmumbai.onmicrosoft.com

PARENTS' ROLE AND INVOLVEMENT

- o Parents can make inquiries about their child's attendance and performance either, at the office or the concerned Department(s) or through the college website www.mithibai.ac.in
- o If a student's medical condition deteriorates during the college hours or in campus, preliminary first aid will be administered by the College. However, it is advisable that the parent / guardian should come personally to the college to accompany the child back home or for further medical treatment.
- o In case a student suffers from a chronic medical condition (either physical / mental), self-disclosure (with supporting medical documents) by the parents would help the College in administering the appropriate medical assistance, in case of an emergency.
- o A student suffering from a contagious illness should not *visit* the college... Parents /Guardian are requested to write to the college authorities about the students illness so that the absence of the student is noted. Such a student will be allowed to attend the lectures or practicals from the college only when a 'Fitness Certificate' issued by a Medical practitioner is submitted to college office.

ADDENDUM

Wherever an issue has not been covered by these Autonomy Rules of the College, the Rules and Statutes of the University of Mumbai would apply.

ATTENDANCE POLICY

I. RULES FOR LEARNERS

The Attendance committee shall display the attendance for the previous month on the college notice boards as well as on the learner student, in the first week of every month. If the learner has any issue or finds any discrepancy in his/her attendance, s/he should immediately inform the concerned faculty by submitting a written application within 03 days of the display of the attendance record of the preceding month.

For any leave of absence, prior intimation through an application, in the prescribed format, should be inwards at college office and forwarded to the respective Vice Principal. In situations of emergency, intimation must be given on phone/email within 06 days from the commencement date of the leave of absence. Any absence without written intimation will be treated as unauthorised and will be reflected thus in the records.

Warning letters shall be issued to the defaulting learners at least twice every semester. The defaulting learners are expected to meet the class mentor along with their parent/guardian mid-semester, with the purpose of understanding the difficulty of the learner and to make both the parent/guardian and the learner aware of the requirement of mandatory attendance. An undertaking shall be signed by the parent/guardian, that his/her ward will attend lectures/practicals/tutorials etc. regularly, failing which, the learner will not be eligible to appear at the respective semester end examination as per the rules mentioned herein below.

Attendance requirement in every semester for UG & PG program to make learners eligible for appearing at the semester end examination:

1. Every learner is expected to attend 100% lectures, practicals and tutorials conducted for every course in each semester.
2. Every bonafide learner shall ordinarily be allowed to keep terms for the given semester in a program of his/her enrolment, **only if s/he fulfills the criteria of at least seventy-five (75%) attendance as an average of total number of lectures, practicals & tutorials conducted for all the courses taken together in every semester.** Attendance for learners for the short and/or long excursions/field visits/study tours organized by the college and supervised by the teachers, as envisaged in the syllabus and attended by the learners shall be credited to his/her attendance for the total number of lectures/practical/tutorials which are delivered on the concerned day/s. **Further it is mandatory for every learner to have minimum 70% attendance for each course & average attendance in all the courses taken together has to be minimum 75% in the program.**
3. a. Attendance of the learners who have officially represented the college in extra-curricular/co-curricular activity / competition / camp / workshop / convention / symposium / seminar or any such activity, with prior permission of the Principal, will be credited to his/her attendance for the missed number of lectures/practicals/tutorials, which are otherwise conducted on the respective day/s, up to a maximum of 5% in every semester in the respective courses in which s/he has missed the lectures/practicals/tutorials.
(Learners participating in sports, cultural and extra-curricular activities etc. representing the college, should submit the participation certificate/relevant document within six working days of the completion of the event, authenticated by the competent authority).
- b. The Principal shall be the competent authority to condone the deficiency of attendance of any learner further up to an additional 5% per program, if deemed fit and on recommendation of the attendance committee of the college. It is mandatory for the said committee to do natural justice by giving personal hearing to every learner falling short of minimum attendance for keeping terms and recommending on a case by case basis to the competent authority after having verified the genuineness and gravity of the problem that justifies the learner to remain absent, which generally shall be limited to his own sickness, sickness of his parent, death of his parent etc. supported by valid documents. **No condition, whatever, is possible if the attendance of the learner is below 70% per course. (Learners should submit the medical certificate within six working days of resuming college).**

4. Before the semester end examination, the list of learners whose term is not granted and who are debarred from appearing in the semester end examination will be displayed on the college notice board as well as on the Learner Portal. The college will also communicate, through post/e-mail to the learners whose term is not granted.
5. Such learners may appeal to the Principal within three days from the date of display of the notice. After disposing the appeals, the Principal shall intimate the same to the Controller of Examinations of the college ensuring that this communication reaches the learner concerned at least three working days before the commencement of the respective examinations.
6. The requirement of 75% attendance as a requisite for appearing in Term end examination with a provision of condonation up to 5% by the Principal on the grounds specified in the rules, any be relaxed on a case by case basis in respect of students having attendance below 70% on the grounds of genuine medical emergencies and any other extreme exigencies. Such cases will be referred by the Principal with his recommendations to a Committee (Appellate Authority) at the SVKM management level comprising of the following:

President – SVKM & Chairman – Governing Body; CEO – SVKM; Advisor to the President – Shri. Ashoke Basak; Advisor to the President – Dr. M. N. Welling.

The Committee will consider and take appropriate decision on such cases.

7. All learners fulfilling the prescribed attendance norms will be allowed to keep the term and will be eligible to appear at the semester end examination. Learners who have less than 75% attendance per program in a semester and/or the learners who have less than 70% attendance per program even after the exemption of 5% as approved by the Principal on grounds as mentioned in point 3 above, will be required to take re-admission in the respective semester and program of study, in the subsequent academic year by paying the requisite fees on pro rata basis as per the prevailing rules of Mithibai College of Arts, Chauhan Institute of Science & Amrutben Jivanlal College of Commerce and Economics (Autonomous), (herewith referred to as Mithibai College (Autonomous) or the College) and complete all the requirements of the respective program subject to the validity of the program.
8. **100% attendance in each course is desirable**

Attendance requirement is briefly summarized hereunder:

Average % of Attendance in lectures, practicals & tutorials	Remarks
*75% and above	Eligible to appear for Semester end Examinations
*Between 75% and 70%	Eligible to appear for the Semester end Examinations, subject to Principal's approval (i.e. for condonation in attendance up to 5% on ground as mentioned above)
Any other situation arising apart from the above two situations	The learner concerned has to take re-admission in the respective Semester of the program of study in the subsequent academic year subject to validity of the Program.

*Minimum 70% Attendance in every course for each of the lectures, practicals and tutorials, separately is essential.

PARTICIPATION IN EXTRA CURRICULAR ACTIVITIES

- o Learner who participate in Extracurricular activities will be awarded a certificate of participation for the same.
- o Learner involved in social involvement programmes, internships, and field work will also receive a certificate for the same.

SCHEME OF EXAMINATIONS, PASSING STANDARDS & PROGRESSION RULES

(CREDIT BASED EVALUATION NORMS)

Examination Scheme

The performance of the learner will be evaluated in two components. The first component will be a Continuous Assessment with a weightage of 40% of total marks per course (The Continuous Assessment Component will have further 3-4 sub-components such as class tests, individual assignment/ group assignments/ presentations, projects, reports, quizzes, etc.). The second component will be a Semester end Examination with a weightage of 60% of the total marks per course.

Passing Standards

To pass a course, the learner should obtain a minimum of 40% marks in aggregate out of the total marks allotted for each course where the course consists of Continuous Assessment and Semester end Examination. The learner should also obtain a minimum of 40% marks (i.e.16 out of 40, if the maximum marks allocated to Continuous Assessment is 40) out of the total marks allotted to the Continuous Assessment and minimum of 40% marks out of the total marks allotted to the Semester end Examination (i.e. 24 out of 60 if the maximum marks allocated to the Semester end examination is 60) separately, to pass the course and a minimum of Grade D, wherever applicable, to pass a particular semester.

A learner should obtain a minimum of 40% marks out of the total marks allotted to a course, in case that course consists of only Continuous Assessment Component or only Semester end Exam component.

A learner who obtains less than 40% marks in the continuous assessment or less than 40% marks in the Semester-End examination or less than 40% marks 'in aggregate' (i.e. a learner who fails to fulfill the passing criteria mentioned in the Passing Standards above) will be required to appear for continuous assessment / Semester end re-examination (as the case may be) which will be conducted after the result declaration of each semester. In such a case the continuous assessment / Semester end examination marks (as the case may be) in which the learner had already passed will be carried forward in the respective course for which the candidate has appeared for re-examination. In case the learner fails even in the re-examination which is held after the result declaration of each semester, s/he will be allowed to appear along with the re-examination of the regular learners of the subsequent academic year.

Submission of re-examination form along with prescribed fee before the designated date is a pre-condition to appear for the re-examination. A learner will not be allowed to appear for the re-examination in case s/he fails to submit the re-examination form online, within the time frame stipulated by the college, through the Student Portal.

In order to receive the degree/diploma certificate, the learner will have to pass in all the examinations of all the years of the program within the validity period, as per rules.

Progression Rules

1. A learner who has passed in all the courses (as per the rules of the Passing Standards) of Semester I and Semester II examinations of the first year of the program will be promoted to the second year of the program concerned. A learner who has passed in all the courses of Semester III and Semester IV examinations of the second year of the program will be promoted to the program concerned, of the third academic year. The grade cards of VI shall be kept on hold until the learner successfully passes each of the previous semesters and the final semester.

2. A learner who fails to pass in one or more courses in Semester I examination will be allowed to keep terms' (ATKT) and will be permitted to attend lectures and appear for the Semester end examination of Semester II. This means that the learners will be allowed to keep terms for both the semesters during the first year of the programme, irrespective of the number of failures in any number of courses of the first and second semesters of that respective year of the programme. This criterion will apply to the subsequent years of the program also.
3. Such failed learners will be allowed to appear at Semester end re-examination in all the 'failed courses' which will be conducted after declaration of the results of each semester end examination of that academic year. This re-examination will be held only once in an academic year and will be held immediately after declaration of the results of the semester concerned (i.e. odd semester re-examination after the results declaration of odd semester regular examination and even semester re-examination after the result declaration of even semester regular examinations).
4. The learner is required to pay the prescribed fees for re-examinations before the commencement of the respective examination. Online applications for re-examinations (ATKT) along with the payment of prescribed fee before the designated date is a pre-condition for appearance at a re-examination. A learner will not be allowed to appear for the re-examination in case s/he fails to submit the re-examination form online within the time frame stipulated by the college, through the student portal.
5. A learner who has failed to pass in one or more subjects, in the respective year of the program i.e. two semesters taken together, after the said re-examination (as mentioned in point no. 3 above) will not be permitted to apply for admission and to continue to the next year of the program. Such learners will be required to appear for the re-examination of the courses in which they have failed to pass. They will appear for the re-examination to be conducted for the regular learners of the subsequent batch. Such a learner will also have an option to take re-admission in the same year of the program, which he/she failed to pass subject to the validity of the program.
6. The same criteria regarding re-examination as mentioned above shall be applied to Semester III and Semester IV of the second year of the program and for Semester V and Semester VI of the third year of the program.

Guidelines for Re-examination on non-fulfilment of Passing Criteria

1. A learner who obtains less than 40% marks in the continuous assessment or less than 40% marks in the semester-end examination or less than 40% marks 'in aggregate' (i.e. a learner who fails to fulfill the passing criteria mentioned in the Passing Standards above) will be required to appear for continuous assessment / Semester end re-examination (as the case may be), which will be conducted after the declaration of results of each semester. In such a case, the continuous assessment / Semester end examination marks (as the case may be) in which the learner had already passed will be carried forward in the respective course for which the candidate has appeared for re-examination. In case the learner fails even in the re-examination which is held after the result declaration of each semester, s/he will be allowed to appear along with the re-examination of the regular learners of the subsequent academic year.

2. Submission of re-examination form along with prescribed fees before the designated date is a pre-condition for appearance at a re-examination. A learner will not be allowed to appear for the re-examination in case s/he fails to submit the re-examination form online, within the time frame stipulated by the college, through the Learner Portal.
3. In order to receive the degree, the learner will have to pass in all the examinations of all the years of the program, within the validity period as per rules.

General Rules

1. A learner who remains absent for the Semester end examination/s due to any reason, in any subject, shall be awarded 'AB' grade in the subject/s in which he/ she has remained absent. All such learners will be allowed to appear for re-examination in the said subject to be conducted.
2. In order to receive the degree, diploma, certificate, the learner will have to pass in all the examinations of all the years.
3. Revaluation / Photocopy of the answer book: In case a learner is not satisfied with the result/ grade received by him in a particular subject/ he/ she may follow the 'Revaluation Procedure' in case s/he desires.
4. The fees for re-examination and re-admission will be decided by the College from time to time.
5. In case of any disputes/differences, the decision of the College shall be final and binding on the learners. If a learner desires to institute any legal proceedings against the College, such legal proceedings shall be instituted only in courts at Mumbai in whose jurisdiction, the application is submitted by the learner, and not in any other court.

Mithibai College authorities reserve the right to make modifications in the said rules from time to time.

College Committees and Associations

COLLEGE COMMITTEES: The College has statutory bodies, such as the Governing Body, the Academic Council, the Board of Studies, the Finance Committee and various non-statutory committees like - Examinations & Evaluation Committee (EEC), Admission Committee, Internal Quality Assurance Cell (IQAC), Institutional Academic Integrity Panel, Institutional Development Plan for HEI, Research & Development Cell, Internal Complaints Committee, Planning Board (as per UGC Guidelines), Right to Information (RTI), Library Committee, Students' Welfare Committee, Academic & Administrative Audit Committee, Anti- Ragging Committee, Attendance Committee, Students Grievance Redressal Cell, Students Induction Program Committee, Students' Feedback Committee, Women's Development Cell, National Education Policy Implementation Committee, Mithibai Institutions Innovation Council (MIIC) and many more.

ASSOCIATIONS: Mithibai College (Autonomous) is well known for its co-curricular and extra-curricular activities along with excellence in academics. The students can have a holistic development by participating in various activities organized by these associations/ committees.

1.	Alumni Association	10.	Media Relations Committee
2.	Cultural Committee	11.	Mithibai College Tech Association
3.	Department of Lifelong Learning & Extension	12.	Nature Club
4.	Film Society	13.	National Cadet Corps
5.	Gymkhana	14.	National Service Scheme
6.	Hiking and Mountaineering	15.	Rotaract Club
7.	Institutional Social Responsibility	16.	Science Association
8.	Literary Society & Language Lab	17.	Students' Council
9.	Magazine	18.	Training and Placement Cell

ACTIVITIES OF DEPARTMENTS:

Department	Academic Festivals / Activities	Department	Academic Festivals / Activities
B.Com. (Management & Finance)	Numero	Microbiology	R.I.T.E
Biochemistry	Luminescence	Philosophy	Trushna
Biotechnology	Biotechnova	Physics	Einsteinium
Botany	Saptaparini	Psychology	Mind Labyrinth
Chemistry	Chemtrek	Finance	Finanza
Commerce	Reclamo	Management	'TedXMithibai College' / Colosseum
Economics	Mithibai Economic Forum / The Economic Transcript	Zoology	Animaux
Mathematics	Mithimatica		

College Festivals: Kshitij

SVKM's Mithibai College (Autonomous) has one of the most popular International level intercollegiate Cultural Festival called 'Kshitij' which attracts the finest and most promising talents preparing students for participation in prestigious events and competitions at intercollegiate, zonal, state and international level.

Course Structure

SECOND YEAR AND THIRD YEAR AIDED & SELF FINANCE COURSE STRUCTURES	
UNDERGRADUATE & POSTGRADUATE PROGRAMMES	
B.A. ACADEMIC YEAR 2023-24	
Course Description	Credits
Semester III	
Advertising and Sales Management - I	3
Marketing Management	3
Practice of Management	3
Elementary Mathematical and Statistical Tools for Economic Analysis – I	3
Microeconomics - II	3
English Ancillary (III): American Literature	3
English Ancillary (II): Indian Literature in English	3
Mass Communication	3
Foundation Course - II	2
Madhyakalin Gujarati Sahityno Parichay - III	3
Pasand Karelu Gujarati Padya Ane Gadya Sahitya - II	3
Comparative Religions	3
Schools of Indian Philosophy	3
Social Philosophy	3
Principles and Concepts of Political Theory	3
Public Administration	3
Human Development	3
Social Psychology	3
Stress Management	3
Contemporary Issues in Indian Society	3
Indian Society: Structure and Change	3
Introduction to Social Work and Social Welfare	3
Semester IV	
Advertising and Sales Management - II	3
Human Resource Management	3
Entrepreneurship	3
Macroeconomics – II	3
Elementary Mathematical and Statistical Tools for Economic Analysis - II	3

B.Sc. ACADEMIC YEAR 2023-24	
Course Description	Credits
Semester III	
Botany Practical	3
Current Trends In Plant Sciences I	2
Cytogenetics And Molecular Biology	2
Plant Diversity III	2
Chemistry Practical	3
Inorganic Chemistry I	2
Organic Chemistry I	2
Physical Chemistry I	2
Foundation Course II	2
Mathematics Practical	3
Calculus III	2
Higher Order Differential Equations	2
Linear Algebra	2
Microbiology Practical	3
Biology Of Macromolecules And Metabolism	2
Environmental Microbiology	2
Medical Microbiology And Immunology	2
Physics Practical	3
Advanced Optics	2
Material Science	2
Thermodynamics And Statistical Physics	2
Statistics Practical	3
Applied Statistics I : Industrial Statistics	2
Distribution Theory I	2
Sampling Theory	2
Zoology Practical	3
Applied Zoology	2
Genetics & Heredity	2
Incredible Animal World	2
Semester IV	
Botany Practical	3
Current Trends In Plant Sciences II	2
Microbiology And Mycology	2
Plant Anatomy, Physiology And Ecology	2
Chemistry Practical	3
Inorganic Chemistry-II	2
Organic Chemistry-II	2
Physical Chemistry-II	2
Foundation Course-II	2
Mathematics Practical	3
Calculus IV	2

Graph Theory	2
Linear Algebra	2
Microbiology Practical	3
Industrial, Food And Dairy Microbiology	2
Applications And Research In Microbiology	2
Molecular Biology & Enzymology	2
Physics Practical	3
Electronics	2
Renewable Energy Sources	2
Special Theory Of Relativity	2
Statistics Practical	3
Analysis Of Variance And Design Of Experiments	2
Applied Statistics 2: Vital Statistics, Simulation, Reliability	2
Distribution Theory II	2
Zoology Practical	3
Cytology & Biomolecules	2
Entrepreneurial Zoology	2
Evolution And Forensic Entomology	2
Semester V	
Botany Practical I & II	3
Botany Practical III & IV	3
Instrumentation. Ethnobotany, Medicinal Botany, Herbal Cosmetology	4
Plant Pathology, Physiology, Molecular Biology, Plant Tissue Culture	4
Microbiology, Algae, Fungi, Environmental Botany	4

Integral Calculus	4
Numerical Analysis	4
Computer Programming And System Analysis I	2
Applied Component Practical Computer Programming And System Analysis - I	2
Microbiology Practical I	3

Microbiology Practical II	3
Bioprocess Technology	4
Medical Microbiology And Immunology Part I	4
Microbial Biochemistry Part I	4
Microbial Genetics	4
Concepts In Biotechnology	2
Practical Concepts In Biotechnology	2
Physics Practical- I	3
Physics Practical- II	3
Analog And Digital Electronics	4
Electrodynamics	4
Quantum Mechanics	4
Nuclear Physics	4
Computational Physics	2
Computational Physics Practical	2
Statistics Practical I	3
Statistics Practical II	3
Applied Statistics 3: Biostatistics Statistics Using R	4
Applied Statistics 4: Elements Of Actuarial Science	4
Probability, Distribution Theory & Order Statistics	4
Statistical Inference I: Estimation Theory	4
Elements Of Operations Research - I	2
Practical Elements Of Operations Research - I	2
Zoology Practical I	3
Zoology Practical II	3
Haematology, Human Genome Project And Immunology	4
Integuments, Osteology And Embryology	4
Histology, Toxicology And Biostatistics	4
Systematics And Type Study I	4
Basic Fishery	2
Practical	2
Semester VI	
Commercial Horticulture	2
Practical Commercial Horticulture	2
Bryophyta, Pteridophyta, Gymnosperm, Agricultural Practices	4
Angiosperms, Anatomy, Embryology & Biostatistics	4
Plant Biochemistry, Physiology, Economic Botany, Bioinformatics	4
Plant Biotechnology, Mushroom Industry, Plant Geography, Genetics	4
Botany Practical I & II	3
Botany Practical III & IV	3
Physical Chemistry IV	4
Inorganic Chemistry IV	4
Organic Chemistry IV	4
Analytical Chemistry II	4

Applied Component Dyes And Fine Chemicals	2
Applied Component Practical Dyes And Fine Chemicals	2
Physical And Inorganic Chemistry Practical I	3
Organic And Analytical Chemistry Practical II	3
Computer Programming And System Analysis II	2
Computer Programming And System Analysis II- Practical	2
Algebra	4
Analysis	4
Numerical Analysis	4
Real And Complex Analysis	4
Mathematics Practical I	3
Mathematics Practical II	3
Applied Biotechnology	2
Applied Biotechnology Practical	2
rDNA Technology, Bioinformatics And Virology	4
Medical Microbiology And Immunology: Part II	4
Microbial Biochemistry: Part II	4
Applied And Industrial Microbiology	4
Microbiology Practical I	3
Microbiology Practical II	3
Classical Mechanics	4
Solid State Physics	4
Atomic And Molecular Physics	4
Mathematical Methods	4
Embedded System	2
Embedded System Practical 2	2
Physics Practical I	3
Physics Practical II	3
Elements Of Operations Research II Practical	2
Elements Of Operations Research II Practical	2
Probability Generating Functions & Elements Of Stochastic Processes	4
Statistical Inference II - Testing Of Hypothesis	4
Applied Statistics 5- Linear And Regression Models	4
Applied Statistics 6- Biostatistics	4
Statistics Practical I	3
Statistics Practical II	3
Applied Fishery	2
Practical	2
Systematics & Type Study II	4
Physiology And Animal Tissue Culture	4
Modern Techniques In Zoology	4
Ecological Science And Scientific Writing	4
Zoology Practical I	3
Zoology Practical II	3

B.Sc. BIOCHEMISTRY (Hons.) ACADEMIC YEAR 2023-24	
Course Description	Credits
Semester V	
Metabolism-I And Endocrinology	4
Immunology And Pathophysiology-I	4
Molecular Genetics & Bio Techniques?	4
Biostatistics	4
Food Nutrition And Dietetics (Applied Component)	1
Practical-XIII	3
Practical-XIV	3
Practical-XV	3
Semester VI	
Metabolism-II	4
Immunology And Pathophysiology-II	4
Applied Biochemistry	4
Recent Trends In Biological Sciences	4
Public Health	1
Practical-XVI	3
Practical-XVII	3
Practical-XVIII	3
B.Sc. BIOTECHNOLOGY ACADEMIC YEAR 2023-24	
Course Description	Credits
Semester III	
Fundamentals Of Immunology	2
Bioprocess Technology	2
Fundamentals Of Immunology And Bioprocess Technology (Practicals)	2
Genetics	2
Molecular Biology	2
Genetics And Molecular Biology (Practicals)	2
Applied Chemistry I	2
Biophysics	2
Applied Chemistry -I And Biophysics (Practicals)	2
Biostatistics And Mathematical Biology	2
Semester IV	
Fundamentals Of Medical Biotechnology	2
Fermentation Technology	2
Metabolism	2
Applied Chemistry -II	2
Basics Of Biocomputing And Bioinformatics	2
Recombinant Dna Technology	2

Cellular Biology	2
Fundamentals Of Medical Biotechnology And Fermentation Technology (Practicals)	2
Metabolism And Applied Chemistry -II (Practicals)	2
Recombinant Dna Technology And Cellular Biology (Practicals)	2
Semester V	
Immunology	4.0
Biochemistry	4.0
Immunology And Biochemistry (Practicals)	1.5
Cell Biology	4.0
Industrial Biotechnology	4.0
Cell Biology And Industrial Biotechnology (Practicals)	1.5
Molecular Biotechnology	2.0
Molecular Biotechnology (Practicals)	2.0
Semester VI	
Medical Biotechnology	4.0
Environmental Biotechnology	4.0
Animal Biotechnology	4.0
Plant Biotechnology	4.0
Advances In Biotechnology	2.0
Advances In Biotechnology (Practicals)	2.0
Medical Biotechnology And Environmental Biotechnology (Practicals)	1.5
Animal Biotechnology And Plant Biotechnology (Practicals)	1.5
B.Sc. COMPUTER SCIENCE ACADEMIC YEAR 2023-24	
Course Description	Credits
Semester III	
Theory Of Computation	2
Java Programming	2
Operating System	2
Database Management System	2
Advanced Web Technologies	2
Computer Networks	2
Skill Enhancement: Combinatorics And Graph Theory	2
Computer Science Practical 7	3
Computer Science Practical 8	3
Semester IV	
Fundamentals Of Algorithms	2
Advanced JAVA	2
Physical Computing And IoT Programming	2
Android Developer Fundamentals	2
Linear Algebra Using Python	2

.NET Technologies	2
Skill Enhancement: Software Engineering	2
Computer Science Practical IX	3
Computer Science Practical X	3
Semester V	
Artificial Intelligence	4
Skill Enhancement: Software Testing And Quality Assurance	2
Computer Science Practical XI	3
Information And Network Security	4
Optimization Techniques	4
Computer Science Practical XII	3
Web Services	4
Project Implementation	2
Semester VI	
Wireless Sensor Networks And Mobile Communication	4
Skill Enhancement: Human Computer Interaction	2
Information Retrieval	4
Data Science	4
Ethical Hacking & Cyber Forensics	4
Computer Science Practical XIII	3
Computer Science Practical XIV	
Project Implementation	2
B.Sc. APPLIED STATISTICS & DATA ANALYTICS (Hons.)	
ACADEMIC YEAR 2023-24	
Course Description	Credits
Semester III	
Probability Distributions 3	3
Sampling Techniques	3
Industrial Statistics	3
Discrete Mathematics 3	3
Linear Algebra 1	3
Python Fundamentals	3
LaTex	2
Statistics Practical 3	3
Mathematics Practical 3	2
Python Practical	1
Semester IV	
Probability Distributions 4	3
Design Of Experiments	3
Operations Research 1	3

Numerical Analysis	3
Linear Algebra 2	3
Advanced R	3
Basic Data Mining Concepts	2
Statistics Practical 4	3
Mathematics Practical 4	2
Advanced R Practical	1
Semester V	
Probability & Distribution Theory	3
Statistical Inference I: Estimation Theory	3
Applied Statistics 3: Operations Research II	3
Applied Statistics 4: Actuarial Mathematics	3
R For Data Science	3
Analysis Of Time Series	3
Business Analytics: Case Studies	2
Statistics Practical 5 (Based On Courses USMAAS501 And USMAAS502)	2
Applied Statistics Practical 1 (Based On Courses USMAAS503 And USMAAS504)	2
R Lab. And Applied Statistics Practical 2 (Based On Courses USMAAS505 And USMAAS506)	2
Semester VI	
Stochastic Processes	3
Statistical Inference II: Testing Of Hypothesis	3
Applied Statistics 5: Regression Analysis	3
Applied Statistics 6: Reliability And Survival Analysis	3
Elements Of Options, Futures Markets	2
Statistics Practical 6 (Based On Courses USMAAS601 And USMAAS602)	2
Applied Statistics Practical 3 (Based On Courses USMAAS603 And USMAAS604)	2
Statistical Project (Elective)	8
Internship (Elective)	8
B.Sc. PSYCHOLOGY (Hons.) ACADEMIC YEAR 2023-24	
Course Description	Credits
Semester III	
Forensic Psychology- I	4
Basics Of Qualitative Research- I	4
Human Development- III	4
Psychology And Human Rights- III	4
Psychology Of Addiction- I	4
Foundation Course- I	2
Practicum- III	3
Skill-Based Program- I	2

Semester IV	
Forensic Psychology- II	4
Basics Of Qualitative Research- II	4
Human Development- IV	4
Psychology And Human Rights- III	4
Psychology Of Addiction- II	4
Foundation Course- II	2
Practicum- IV	3
Skill-Based Program- II	2
Semester V	
Psychopathology-I	4
Cognitive Neuroscience-I	4
Organizational Social Psychology- I	4
Intervention Systems- I	4
Research Dissertation -I	4
Practicals: Psychometrics And Testing (Semester V)	3
Internship	2
Semester VI	
Psychopathology - II	4
Cognitive Neuroscience - II	4
Organizational Social Psychology - II	4
Intervention Systems - II	4
Research Dissertation	4
Practicals: Advanced Statistical Analysis (Semester VI)	3
Internship	2

B.Com. (Hons.) ACADEMIC YEAR 2023-24	
Course Description	Credits
Semester III	
Advanced Accounting-I	6
Auditing & Assurance-I	3
Financial Management-I	3
Indirect Tax	4
Advanced Macroeconomics	3
Strategic Management	3
Corporate Law	4
Semester IV	
Advanced Accounting-II	6
Auditing & Assurance-II	3
Financial Management-II	4
Enterprise Information Systems	4
Foundation of Public Finance	3
Marketing Management	3
Financial Services and Production Management	3
Semester V	
Corporate Financial Reporting-I	5
Investment Analysis and Portfolio Management	4
Indian Economy: Issues and Prospects	3
Wealth Management	3
Ethics and Governance	3
Internship	3
Semester VI	
Corporate Financial Reporting-II	5
Derivatives and Commodities Market	4
International Trade and Foreign Exchange	3
Organisational Behaviour and Human Resource Management	3
Entrepreneurship Management	3
Project Work	3

B.Com. (MANAGEMENT STUDIES) ACADEMIC YEAR 2023-24

Course Description	Credits
Semester III	
Production and Total Quality Management	3
Strategic Management	4
Management and Cost Accounting	4
Debt and Equity Markets	3
Business Research Methods	4
Corporate Communication and PR	3
Workplace Psychology & Organizational Behaviour	3
Media Planning	3
Semester IV	
Human Resource Management	4
Entrepreneurship Management	3
IMC and Advertising	3
Taxation	4
Business Analytics	4
Venture Capital and Private Equity	3
International Business	3
Behavioural Finance	3
Semester V	
Business Ethics and Corporate Governance	4
Logistics and Supply Chain Management	4
International Business	3
Services Marketing	3
International Finance	3
E Commerce & Digital Marketing (Marketing Elective)	3
Commodity and Derivatives Market (Finance Elective)	3
Project Work-I	3
Semester VI	
Operations Research	3
Retail Management	4
Indian Management Thoughts and Practices	4
Risk Management	3
Integrated Marketing Communication	3
Brand Management and Public Relations (Marketing Elective)	3
Security Analysis and Portfolio Management (Finance Elective)	3
Project Work-II	3

B.Com.(ACCOUNTING AND FINANCE) ACADEMIC YEAR 2023-24	
Course Description	Credits
Semester III	
Special Accounting Areas	3
Indirect Taxes	3
Strategic Financial Management	4
Operation Research	3
Equity and Debt Markets	4
Company Law	3
Information Technology	3
Semester IV	
Corporate Financial Accounting	4
Methods of Costing	4
Commodity and Derivatives Market	3
Management Accounting	3
Securities Law and IPR	3
Indian Economy	3
Research Methodology	3
Semester V	
Special Aspects of Company	4
Advance Cost Accounting	4
Income Tax I	4
Ind AS & IFRS	3
Commodity and Derivatives Market	4
Project Work	4
Semester VI	
Advanced Financial Accounting	4
Advanced Financial Management	4
Income Tax II	4
Auditing	3
Security Analysis and Portfolio Management	4
Corporate Governance and Ethics	4

B.Com.(FINANCIAL MARKETS) ACADEMIC YEAR 2023-24	
Course Description	Credits
Semester III	
Management Accounting	4
Equity Market	4
Debt and Money Market	3
Business Law – I	4
Marketing in Financial Services	3
Foreign Exchange Market	4
Semester IV	
Research Methodology	3
Corporate Finance	4
Equity Research	4
Corporate Law	4
Security Analysis and Portfolio Management	4
Commodity Market	3
Semester V	
Wealth Management & Personal Financial Planing	4
Technical Analysis	4
Derivatives & Commodities Market	4
Taxation I	4
Equity Research	3
Business Ethics & Corporate Governance	3
Project-I	2
Semester VI	
Venture Capital And Private Equity	4
Mutual Fund Management	4
Strategic Corporate Finance	4
Taxation II	4
Risk Management	3
Corporate Restructuring.	3
Project-II	2

B.Com. (BANKING AND INSURANCE) ACADEMIC YEAR 2023-24	
Course Description	Credits
Semester III	
Financial Markets	3
Taxation	4
Management Accounting	3
Risk Management	4
Mutual Fund Management	3
Information Technology in Banking & Insurance - I	3
An Overview of Banking Sector	3
Semester IV	
Corporate & Securities Law	3
Business Economics - II	4
Cost Accounting	4
Research Methodology	2
Wealth Management	4
Information Technology in Banking & Insurance - II	3
An Overview of Insurance Sector	3
Semester V	
International Banking and Finance	4
Marketing in Banking & Insurance	3
Financial Reporting and Analysis	3
Auditing	3
Actuarial Analysis in Banking & Insurance	3
Project Work - I (Banking)	4
Semester VI	
Central Banking	4
Security Analysis and Portfolio Management	3
Strategic Management & Turnaround Management	3
Human Resource Management and Business Ethics and Corporate Governance	3
Financial Management	3
Project Work - I (Insurance)	4

B.A. (MULTIMEDIA AND MASS COMMUNICATION)	
ACADEMIC YEAR 2023-24	
Course Description	Credits
Semester III	
Corporate Communication and Public Relations	4
Introduction to Creative Writing	4
Introduction to Cultural Studies	4
Organisational Behaviour	4
Event Management	2
Photography and Lights (P)	4
Semester IV	
Film Appreciation	4
Introduction to Journalism	4
Integrated Marketing Communication	4
Electronic Media	4
Introduction to Advertising	4
Theatre and Communication (P)	2
Semester V	
Journalism and Public Opinion	4
Reporting and Editing	4
Brand Building	4
Consumer Behaviour	4
Internet and Issues in Global Media	2
Ad Design and Newspaper & Magazine Making (P)	4
Semester VI	
Environmental Concerns and Contemporary Issues	4
Digital Media	4
Direct Marketing	4
Media Laws	4
Media Planning And Buying	4
Internship	2

M.Sc. (By Paper) BIOCHEMISTRY ACADEMIC YEAR 2023-24	
Course Description	Credits
Semester III	
Research Project	24
OR	
Research Project / Internship	4
Food Science and Food Technology	4
Management Process	4
Social Skills	4
Virology and Emerging Trends	4
Practical 3A	2
Practical 3B	2
Semester IV	
Advances in Biochemical Sciences-II	4
Advanced Immunology	4
Pharmacology and Toxicology	4
Entrepreneurship and IPR	4
Practical-IX	2
Practical-X	2
Practical-XI	2
Practical-XII	2
M.Sc. (By Paper) BIOTECHNOLOGY ACADEMIC YEAR 2023-24	
Course Description	Credits
Semester III	
Research Project	24
Semester IV	
Medical Microbiology and Biotechnology	4
Industrial Biotechnology	4
Translational Biotechnology	4
Bio-entrepreneurship and Quality Management	4
Medical Microbiology and Biotechnology (Practicals)	2
Industrial Biotechnology (Practicals)	2
Translational Biotechnology (Practicals)	2
Bio-entrepreneurship and Quality Management (Practicals)	2

M.Sc. (By Paper) COMPUTER SCIENCE ACADEMIC YEAR 2023-24	
Course Description	Credits
Semester III	
Natural Language Processing	4
Software Defined Networks	4
Big Data Analytics	4
Deep Learning	4
Practical - Natural Language Processing	2
Practical - Software Defined Networks	2
Practical - Big Data Analytics	2
Practical - Deep Learning	2
Semester IV	
Internship	12
Project Implementation	12
M.Sc. (By Paper) BOTANY ACADEMIC YEAR 2023-24	
Course Description	Credits
Semester III	
Plant anatomy, Palynology and developmental botany	4
Molecular Biology I	4
Plant Taxonomy- II	4
Pharmacognosy & Phytochemistry - II	4
Botany Practical I	2
Botany Practical II	2
Botany Practical III	2
Botany Practical IV	2
Semester IV	
Plant Biotechnology and r-DNA Technology	4
Molecular Biology II	4
Plant Taxonomy- III	4
Pharmacognosy & Phytochemistry - III	4
Botany Practical I	2
Botany Practical II	2
Botany Practical III	2
Botany Practical IV	2

M.Sc. (By Paper) MICROBIOLOGY ACADEMIC YEAR 2023-24	
Course Description	Credits
Semester III	
Research Project / Internship	24
Semester IV	
Microbiology I- Advanced Immunology	4
Microbiology II- Microbial Genetics	4
Microbiology III- Applied Microbiology	4
Microbiology IV- Entrepreneurship Management	4
Microbiology Practical I	2
Microbiology Practical II	2
Microbiology Practical III	2
Microbiology Practical IV	2
M.Sc. (By Paper) PHYSICS ACADEMIC YEAR 2023-24	
Course Description	Credits
Semester III	
Statistical Mechanics	4
Nuclear Physics	4
Signals and System	4
Microwave Electronics	4
Physics Practical	4
Physics Project Work-I	4
Semester IV	
Experimental Physics	4
Atomic and Molecular Physics	4
Signal Modulation and Communication Network	4
Advanced Communication System	4
Physics Practical	4
Physics Project Work -II	4
M.Sc. (By Paper) ZOOLOGY ACADEMIC YEAR 2023-24	
Course Description	Credits
Semester III	
General and Physical Oceanography	4
Chemical Oceanography	4
Biology of the Oceanography	4
Fisheries – I	4
Oceanography Practical I	2
Oceanography Practical II	2
Oceanography Practical III	2
Oceanography Practical IV	2

Course Description	Credits
Semester IV	
Marine Water Dynamics and Geology	4
Oceanic Resources	4
Biology of the Ocean-II	4
Fisheries -II	4
Oceanography Practical I	2
Oceanography Practical II	2
Oceanography Practical III	2
Oceanography Practical IV	2
M.Sc. (By Paper) ORGANIC CHEMISTRY ACADEMIC YEAR 2023-24	
Course Description	Credits
Semester III	
Theoretical Organic Chemistry	4
Synthetic Strategies and NMR Spectroscopy	4
Natural Products and Heterocyclic Chemistry	4
Sustainable Organic Processes	4
Organic Preparations	2
2D NMR Interpretation	2
Extraction and Isolation of Natural Products	2
Organic Synthesis by Traditional and Green Methods	2
Semester IV	
Synthetic Organic Chemistry	4
Bioorganic Chemistry and Advances in Organic Chemistry	4
Industrial Practices, Processes and Safety	4
Basics of Intellectual Property and Machine Learning	4
Ternary Separations	2
Research Paper Review / Research Project / Internship	2
Quality Risk Assessment and Safety	2
Tutorials on Basics of Intellectual Property and Machine Learning	2
M.Sc. (By Paper) MATHEMATICS ACADEMIC YEAR 2023-24	
Course Description	Credits
Semester III	
Algebra III	5
Functional Analysis	5
Partial Differential Equation	5
Numerical Analysis	5
Graph Theory	4

Course Description	Credits
Semester IV	
Field Theory	5
Fourier Analysis	5
Differential Geometry	5
Linear Programming and Optimisation	5
Project Work	4
M.Sc. (By Paper) STATISTICS ACADEMIC YEAR 2023-24	
Course Description	Credits
Semester III	
Multivariate Analysis-II	4
Time Series Analysis	4
Statistics using R and Python	4
Elements of Data Science	4
Statistics Practical -V	4
Statistics Practical -VI	4
Semester IV	
Stochastic Processes	4
Statistical Quality Control	4
Reliability and Survival Analysis	4
Statistics Practical -VII	4
Internship	4
Statistical Project	4
M.Sc. (By Paper) ANALYTICAL CHEMISTRY ACADEMIC YEAR 2023-24	
Course Description	Credits
Semester III	
THEORY COURSES	
Quality in Analytical Chemistry	4
Membrane Technology and Applications	4
Food, Cosmetics and Forensic Analysis	4
Advanced Analytical Techniques	4
PRACTICAL COURSES	
Quality Standards	2
Research Paper Review / Internship	2
Analysis of Food and Related Substances	2
Analysis by Electroanalytical Techniques	2

Course Description	Credits
Semester IV	
THEORY COURSES	
Instrumental Techniques	4
Chemical Sensors	4
Industrial Practises, Processes and Safety	4
Basics of Intellectual Property and Machine Learning	4
PRACTICAL COURSES	
Spectral Analysis	2
Research Project / Internship	2
Quality Risk Assessment and Safety	2
Tutorials on Basics of Intellectual Property and Machine Learning	2
M.Sc. (By Paper) CHEMISTRY (GENERAL SCIENCE) ACADEMIC YEAR 2023-24	
Course Description	Credits
Semester III	
Theoretical Organic Chemistry	4
Synthetic Strategies and NMR Spectroscopy	4
Industrial Chemistry	4
Advanced Analytical Techniques	4
Organic Preparations	2
2D NMR Interpretation	2
Industrial Chemistry Practical	2
Analysis by Electroanalytical Techniques	2
Semester IV	
Physical Chemistry -III	4
Inorganic Chemistry-III	4
Industrial Practices, processes, and Safety	4
Basics of Intellectual Property and Machine Learning	4
Physical Chemistry Practical -III	2
Inorganic Chemistry Practical -III	2
Quality Risk Assessment and Safety	2
Tutorials on Basics of Intellectual Property and Machine Learning	2

M.A. ENGLISH ACADEMIC YEAR 2023-24	
Course Description	Credits
Semester III	
Poetry	6
Comparative Literature	6
Contemporary and Twentieth Century American Literature	6
Research Methodology	6
Indian Writing in Translation	6
Semester IV	
Visual Studies	6
New Literatures in English	6
Project Based Course	10
M.A. PSYCHOLOGY ACADEMIC YEAR 2023-24	
Course Description	Credits
Semester III	
Performance Management, Competency based Assessment and Career Management in Organizations	4
Organizational Behaviour	4
Organization Development	4
Human Resource Management	4
Project Based Course	12
Semester IV	
Consumer Psychology	4
OCCUPATIONAL HEALTH PSYCHOLOGY	4
Training and Development	4
Internship	12
M.A. ECONOMICS ACADEMIC YEAR 2023-24	
Course Description	Credits
Semester III	
Urban and Rural Economy	6
Time Series Forecasting	6
Environmental Economics (Elective I)	6
Public Economics (Elective II)	6
Financial Economics (Elective III)	6
Semester IV	
International Trade: Theory and Policy	6
International Finance (Elective I)	6
Behavioural Economics (Elective II)	6
Introduction to Formal Demography, Biostatistics and Healthcare (Elective III)	6
Research Project	10

SHORT TERM COURSES

Department	Short Term Certificate / Add-on Course Titles	Duration
Accountancy	Short term Course in Taxation in association with Bombay Chartered Accountants Society	30 hours
Accountancy	Certificate Course on Advanced Excel Certificate Course on Tally Certificate Course on Social Media Marketing Certificate Course on Stock Markets Certificate Course on Financial Statement Analysis Professional Accountant (PA) Certificate Course Certificate Course in Digital Marketing Certificate Course in Campus to Corporate	30 hours
Accountancy and Finance (Goodlife Education in association with Mithibai College (Autonomous))	Short Term Financial Market Course	30 hours
Biotechnology	Basics, Tools and Applications of Bioinformatics	45 hours
Botany	Quality Testing of Herbals	45 hours
Chemistry	Advanced Instrumental Analysis	30 hours
Commerce	Basics of Stock Market	30 hours
Computer Science	Artificial Intelligence with Python	30 hours
Finance	Certificate Course on Personal Finance	30 hours
Foreign Languages	Certificate Course in Contemporary Communication	30 hours
Foreign Languages	Certificate Course in French Language Acquisition	30 hours
Management	Marketing Strategies & Branding	30 hours
Microbiology	Basic Life Skills, Disaster Management and Planning	30 hours
Philosophy	Application of Vedanta to different aspects of life	30 hours
Physics	Astronomy and Astrophysics	30 hours
Zoology	Introduction to Biodiversity and Wildlife Biology	30 hours

Non-Teaching Staff, Administrative Staff & Library Staff

SNAPSHOTS 2022-2023

Principal Prof. Krutika Desai inaugurating the first edition of the Monthly Newsletter on the Annual Day, 31st January, 2023.

Students attending the seminar on "Safety in Public Places" with Inspector Sujay Patil and Inspector Vijay Dhotre.

Principal Prof. Krutika Desai welcoming Inspector Sujay Patil and Inspector Vijay Dhotre for a talk on safety in public places.

100m sprint at the Annual Sports Day on 11th January, 2023 at Jamnabai Narsee Ground

Mime Performance in full flow

Mithibai's Drama Team performing a street play

SNAPSHOTS 2022-2023

Team Taarangan with Thakur College's Taarangan 23' Overall Championship and Event Trophies

Dance Team performing at Viral Fission's Collide' 22

Quawalli at Mumbai University's 55th Youth Finals

Chaitanshi Shah from SYBMS won Gold Medal in Inter-Collegiate Boxing (Women's) at University Level Zone- II

Second Position in Inter-Collegiate Badminton (Men's) at University Level Zone- II held at Andheri Sports complex

3rd position in University Level Intercollegiate Basketball Tournament, Zone-II at Kalina University on 15th October, 2022

NATIONAL CADET CORPS (NCC)

Section Attack Demonstration

Rifle Parade (Guards)

Weapon Training SLR, INSAS

NCC Cadets during Firing Practice

Har Ghar Tirangaa Rally

NATIONAL CADET CORPS (NCC)

Beach Cleaning Activity

NCC Cadet. Dikshi Makwana
Cleared CDS and Recommended through SSB
as an officer in Indian Army (Dec. 2022)

NCC Cadet. Ranjeet Yadav
Selected in Indian Army as an Agni Veer,
Maratha Light Infantry (Dec. 2022)

NCC Cadet. Aaditya Patne
Selected in Indian Army as an Angi Veer,
Aasam Rifles (Dec. 2022)

DEGREE CERTIFICATE DISTRIBUTION CEREMONY

Prof. Krutika Desai welcomes Chief Guest Vijay Chauthaiwale at the Ceremony

Lighting of lamp by dignitaries at the Degree Distribution Ceremony

Students taking oath in Degree Certificate Distribution Ceremony

Students receiving degree from Mentor Shri Amit Sheth

Rank holders of batch 2022 at the Degree Distribution ceremony

Inauguration by Principal Prof. Krutika Desai

Bhuvan Bam & Shriya Pilgaonkar for promotions

8KM Green Run in JUHU

Participants engrossed in the game of Soccer

Legendary Singer Sunidhi Chauhan performing LIVE

Vaishali Sagar showcases her graceful moves with the participants of the classical dance event

KING of RAP performing LIVE

Sensational Bollywood Singer Javed Ali performing LIVE

SVKM Institutions

S.N.	Institute	Year of Establishment
1.	Smt. Goklibai Punamchand Pitamber High School	1934
2.	Mithibai College of Arts, Chauhan Institute of Science	1961
